

LCFF Budget Overview for Parents

Local Educational Agency (LEA) Name: FORT BRAGG UNIFIED SCHOOL DISTRICT

CDS Code: 23655650000000

School Year: 2024-25

LEA contact information:

Joseph Aldridge

Superintendent

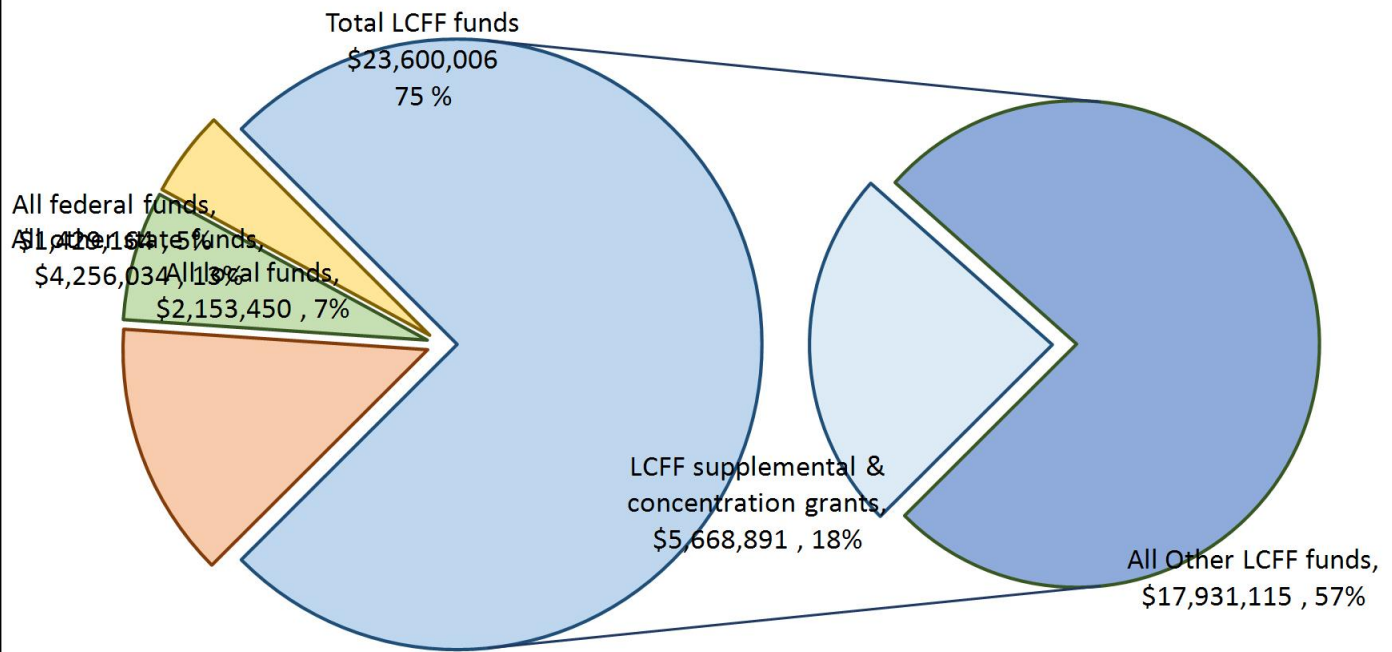

jaldridge@fbusd.us

(707) 961-2850 ext. 3525

School districts receive funding from different sources: state funds under the Local Control Funding Formula (LCFF), other state funds, local funds, and federal funds. LCFF funds include a base level of funding for all LEAs and extra funding - called "supplemental and concentration" grants - to LEAs based on the enrollment of high needs students (foster youth, English learners, and low-income students).

Budget Overview for the 2024-25 School Year

Projected Revenue by Fund Source

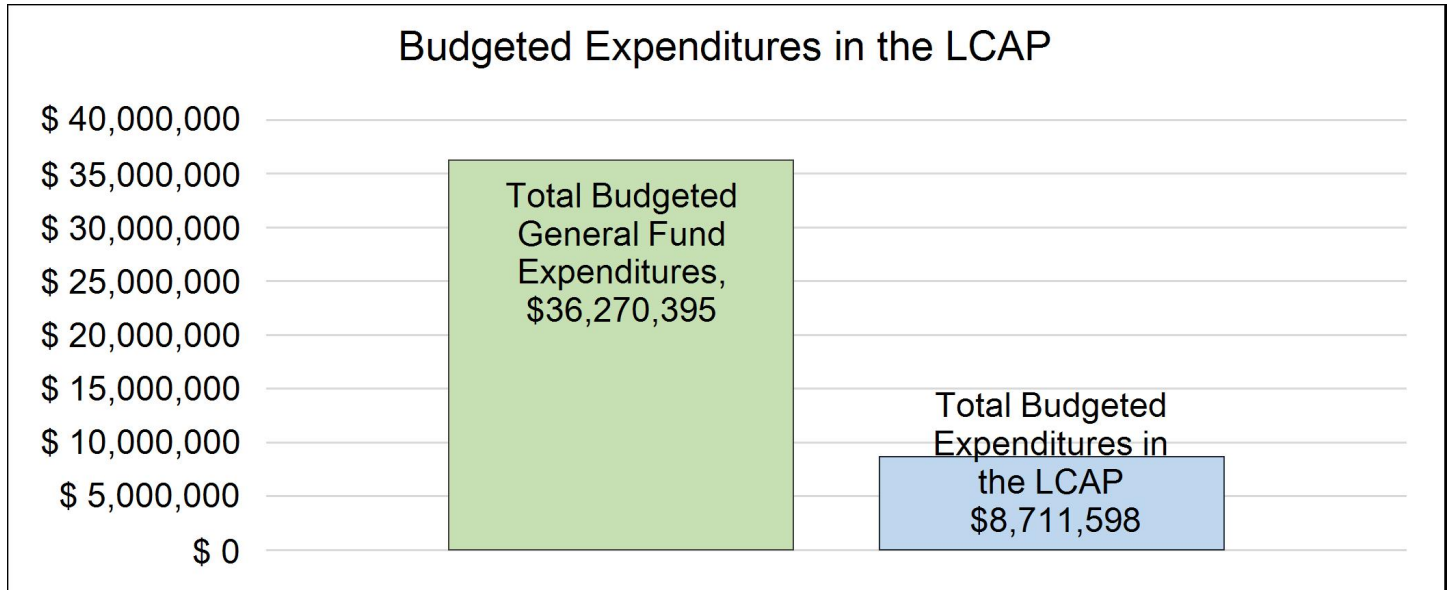

This chart shows the total general purpose revenue FORT BRAGG UNIFIED SCHOOL DISTRICT expects to receive in the coming year from all sources.

The text description for the above chart is as follows: The total revenue projected for FORT BRAGG UNIFIED SCHOOL DISTRICT is \$31,438,654, of which \$23600006 is Local Control Funding Formula (LCFF), \$4256034 is other state funds, \$2153450 is local funds, and \$1429164 is federal funds. Of the \$23600006 in LCFF Funds, \$5668891 is generated based on the enrollment of high needs students (foster youth, English learner, and low-income students).

LCFF Budget Overview for Parents

The LCFF gives school districts more flexibility in deciding how to use state funds. In exchange, school districts must work with parents, educators, students, and the community to develop a Local Control and Accountability Plan (LCAP) that shows how they will use these funds to serve students.

This chart provides a quick summary of how much FORT BRAGG UNIFIED SCHOOL DISTRICT plans to spend for 2024-25. It shows how much of the total is tied to planned actions and services in the LCAP.

The text description of the above chart is as follows: FORT BRAGG UNIFIED SCHOOL DISTRICT plans to spend \$36270395 for the 2024-25 school year. Of that amount, \$8711598 is tied to actions/services in the LCAP and \$27,558,797 is not included in the LCAP. The budgeted expenditures that are not included in the LCAP will be used for the following:

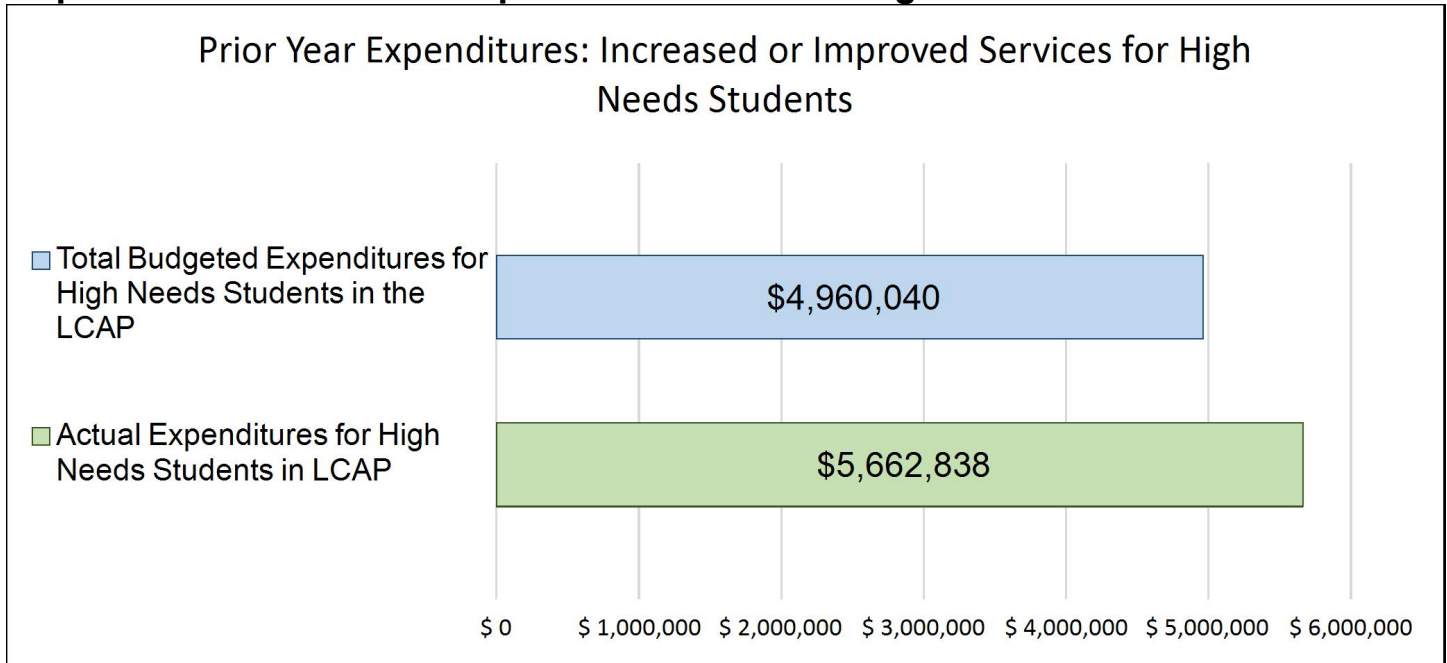

Most regular, routine expenditures that do not directly relate to the actions are excluded from this document.

Increased or Improved Services for High Needs Students in the LCAP for the 2024-25 School Year

In 2024-25, FORT BRAGG UNIFIED SCHOOL DISTRICT is projecting it will receive \$5668891 based on the enrollment of foster youth, English learner, and low-income students. FORT BRAGG UNIFIED SCHOOL DISTRICT must describe how it intends to increase or improve services for high needs students in the LCAP. FORT BRAGG UNIFIED SCHOOL DISTRICT plans to spend \$5896954 towards meeting this requirement, as described in the LCAP.

LCFF Budget Overview for Parents

Update on Increased or Improved Services for High Needs Students in 2023-24

This chart compares what FORT BRAGG UNIFIED SCHOOL DISTRICT budgeted last year in the LCAP for actions and services that contribute to increasing or improving services for high needs students with what FORT BRAGG UNIFIED SCHOOL DISTRICT estimates it has spent on actions and services that contribute to increasing or improving services for high needs students in the current year.

The text description of the above chart is as follows: In 2023-24, FORT BRAGG UNIFIED SCHOOL DISTRICT's LCAP budgeted \$4960040 for planned actions to increase or improve services for high needs students. FORT BRAGG UNIFIED SCHOOL DISTRICT actually spent \$5662838 for actions to increase or improve services for high needs students in 2023-24.

2023–24 Local Control and Accountability Plan Annual Update

The instructions for completing the 2023–24 Local Control and Accountability Plan (LCAP) Annual Update follow the template.

Goals and Actions

Goal

Goal #	Description
1	Increase College & Career Readiness

Measuring and Reporting Results

Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Year 3 Outcome	Desired Outcome for 2023–24
CCI Dashboard	2017: 38.1% Prepared 2018: 39.5% Prepared 2019: 35.5% Prepared *2020 and 2021 CCI Dashboard data is not available.	The Career and College Indicator was not reported as a part of the 2022 Dashboard.	2023 - Dashboard data will be available in the fall of 2023.	2022-2023 CCI reported that 34.5% of students were prepared.	The FBUSD CCI will establish a post-pandemic baseline. This will provide a reference point for moving forward.
A-G Completion Rate	2018-19 FBHS: 40.2% 2019-20 FBHS: 38.3% 2020-21 FBHS: 31.1% 2018-19 FBUSD: 34.7% 2019-20 FBUSD: 34.6% 2020-21 FBUSD: 28.03%	2021-22: 28.6% of graduating students completed A-G requirements.	2022-2023 data will be available in the fall of 2023.	2022-2023: 13.4% of students were reported to complete A-G requirements. Due to a coding error during distance learning, the reporting was inaccurate. The actual rate was approximately 33.3% of students.	The FBHS/FBUSD A-G completion rate will increase by 1% annually.

Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Year 3 Outcome	Desired Outcome for 2023–24
AP Exams passed with a score of 3 or higher	2018-19: 69 2019-20: 56 2020-21: 20 *Due to COVID-19, FBHS AP classes were not year-long courses for the 2020-21 school year, thereby impacting the number of students taking AP exams taken in the spring of 2021.	2021-22: 60 exams (39 students) received a score of 3 or better on an AP exam.	2022-2023: Data not available at time of approval	2022-2023: 50 exams were taken and passed with a score of 3 or better.	The number of AP exams passed with a score of 3 or higher will increase by 5% annually.
Dual Enrollment Participation	2018-19: 36.10% 2019-20: 43.25% 2020-21: 18.34% This percentage represents the percent of FBHS students enrolled in one or more Dual Enrollment courses through Mendocino College.	2021-22: 39.59%	2022-2023: 41% of FBHS students participated in dual enrollment courses.	2023-2024: 59.5 of FBHS students participated in dual enrollment courses.	The percentage of students enrolled in one or more Dual Enrollment courses through Mendocino College will increase by 2% annually as compared to 2019-20 data.
Dual Enrollment Completion	2018-19: 201 2019-20: 250 2020-21: 153 This data represents the number of Dual Enrollment courses	2021-22: 248 Courses	2022-2023: Fall 2022 119 Courses, Spring 2023 216 Courses	No update on this item for 2023-2024.	The number of Dual Enrollment courses completed with a grade of "C" or better will improve by 3% annually.

Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Year 3 Outcome	Desired Outcome for 2023–24
	<p>completed with a grade of "C" or better.</p> <p>*Dual Enrollment was significantly impacted in the 2020-21 school year due to COVID-19.</p>				
CTE Completion Rate	<p>Number of Students</p> <p>2017-18: 11</p> <p>2018-19: 25</p> <p>2019-20: 48</p> <p>2020-21: 38</p>	2021-22: 34 students	2022-2023: Data not available at time of approval	2022-2023: 57 students completed a pathway.	The number of FBHS students completing CTE Pathways will increase by 5% annually.
CTE & A-G Completers (students who complete both)	<p>Number of Students</p> <p>2017-18: 3</p> <p>2018-19: 4</p> <p>2019-20: 13</p> <p>2020-21: 3</p>	2021-22: 6 students	2022-2023: Data not available at time of approval	2022-2023: 5 Students	The number of FBHS students completing a CTE Pathway and completing A-G requirements will increase by 5% annually.
FBHS 4-Year Cohort Graduation Rate	<p>Fort Bragg High School 4-Year Cohort Graduation Rate</p> <p>Class of 2017: 87.3%</p> <p>Class of 2018: 90.3%</p> <p>Class of 2019: 92.6%</p> <p>Class of 2020: 93.5%</p> <p>Class of 2021: 93.9%</p>	Class of 2022: 92.9%	2022-2023: Data not available at time of approval	2022-2023: 89.6%	The FBHS 4-year cohort graduation rate will increase by 0.5% annually.

Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Year 3 Outcome	Desired Outcome for 2023–24
FBUSD 4-Year Cohort Graduation Rate	FBUSD 4-Year Cohort Graduation Rate Class of 2017: 82.3% Class of 2018: 89.8% Class of 2019: 86.3% Class of 2020: 80.9% Class of 2021: 86.9% *Students who complete their diploma at Coastal Adult School and students who earn a Certificate of Completion as outlined in their IEP are not calculated as graduates.	Class of 2022: 88.1%	2022-2023: Data not available at time of approval	2022-2023: 84.2%	The FBUSD 4-year cohort graduation rate will increase by 2% annually.
FBUSD AVID program participation	2019-2020: 91 students 2020-2021: 146 students	2021-2022: 179 students	2022-2023: 137 students	2023-2024: 247 students	Enrollment in AVID will maintain as a percentage of the enrollment in grades 6-12.

Goal Analysis

An analysis of how this goal was carried out in the previous year.

A description of any substantive differences in planned actions and actual implementation of these actions.

As a reflection on this success, only a few items were not implemented as proposed. Electronic portfolios were not fully implemented due to the shortage of staff to scan and place the documents in files. College application support on Saturdays did not occur as our staff were efficient at supporting students during the school week.

An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.

Most budgeted expenditures in this goal were similar to the estimated actual expenditures. The two areas with significant differences were:

1.8- Big Picture Learning expenditures were higher than the budget. The budget did not include expenditures through the Comprehensive Supports and Improvement funds. The estimated actual amount includes CSI funds.

1.9- Career and Technical Education had significantly more budgeted than the actual expense. Many of the expenses were moved out to other, more restrictive funding sources.

An explanation of how effective or ineffective the specific actions were in making progress toward the goal during the three-year LCAP cycle.

Overall, we were able to show significant progress in increasing college and career readiness in FBUSD. The other actions in this goal were successful. Our AVID program is serving 247 students in the district. The college and career specialist has had about 1,700 contacts with students and parents in the last year. Our dual enrollment programs are allowing a significant number of our students earn college credit while in high school. Our bilingual family liaison positions have been very successful. The Big Picture Learning program implementation has been very successful in transforming instructional approaches for our Alternative Education site. Our CTE pathways have expanded and support students in a variety of choices. Our actions have been effective at moving students toward increased college and career readiness.

A description of any changes made to the planned goal, metrics, desired outcomes, or actions for the coming year that resulted from reflections on prior practice.

We are continuing the successful actions within this goal into the coming years. We are also adding software to support active analytics of student data to support increased graduation rates.

A report of the Total Estimated Actual Expenditures for last year's actions may be found in the Annual Update Table. A report of the Estimated Actual Percentages of Improved Services for last year's actions may be found in the Contributing Actions Annual Update Table.

Goals and Actions

Goal

Goal #	Description
2	Increase Student Academic Achievement

Measuring and Reporting Results

Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Year 3 Outcome	Desired Outcome for 2023–24
<p>FBUSD English Language Arts (ELA) CAASPP scores</p> <p>*Due to COVID-19, CAASPP testing was suspended for the 2019-20 school year, and CAASPP testing was optional for the 2020-21 school year. Grades 3-8 administered the iReady math and ELA assessments in lieu of the CAASPP. Grade 11 participated in the CAASPP tests in May of 2021. Grades 3-8 and 11 will resume taking the CAASPP tests in the spring of 2022.</p>	<p>2018-19 FBUSD district-wide ELA CAASPP scores are listed below:</p> <p>EL (ELA): 54.7 points below level 3. This is a 4.7 point increase from the 2017-18 school year (**Our Dashboard reports that this is a 4.1 point increase from the previous year.)</p> <p>SED (ELA): 30.9 points below level 3. This is a 7.5 point increase from the 2017-18 school year. (**Our Dashboard reports that this is a 7.2 point increase from the previous year.)</p>	<p>Only the 11th grade students participated in CAASPP testing in 2021. The scores below reflect the 11th grade class only.</p> <p>ELA: 22.2 points above level 3.</p> <p>For the Spring 2022 CAASPP Administration:</p> <p>Overall 35.36% of students met or exceeded the standards in ELA.</p> <p>English Learners (ELA) 3rd 74 points below level 3 4th 104 points below level 3</p>	<p>The CAASPP scores for the 2023 Spring Administration will not be available before the approval of this document.</p> <p>Local Assessment data indicate that 38% of students are achieving at a level that meet or exceed standards on the ELA CAASPP testing. While this is an estimate, it was generally accurate when compared with outcomes last year.</p>	<p>34.62% of students met or exceeded the standard for the 2023 administration of the CAASPP testing.</p> <p>Local Assessment data indicate that 38% of students are achieving at a level that meet or exceed standards on the ELA CAASPP testing. While this is an estimate, it was generally accurate when compared with outcomes last year.</p> <p>2022-2023 CAASPP ELA</p> <p>English Learners (ELA): 76.4 points below standard</p>	<p>Students achieving standard met or exceeded on the CAASPP ELA assessment will increase by 3% each year.</p>

Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Year 3 Outcome	Desired Outcome for 2023–24
	<p>Hispanic (ELA): 34.5 points below level 3. This is a 9.3 point increase from the 2017-18 school year (**Our Dashboard reports that this is a 8.9 point increase from the previous year.)</p> <p>White (ELA): 1.1 points above level 3. This is a 6.4 point increase from the 2017-18 school year. (**Our Dashboard reports that this is a 6.0 point increase from the previous year.)</p> <p>Students with Disabilities (ELA): 87.5 points below level 3. This is a 20.1 point increase from the 2017-18 school year. (**Our Dashboard reports that this is a 12.6 point increase from the previous year.)</p>	<p>5th 138 points below level 3 6th 104 points below level 3 7th 120 points below level 3 8th 137 points below level 3 11th 168 points below level 3</p> <p>Hispanic (ELA) 3rd 59 points below level 3 4th 78 points below level 3 5th 106 points below level 3 6th 50 points below level 3 7th 59 points below level 3 8th 72 points below level 3 11th 35 points below level 3</p> <p>White (ELA) 3rd 20 points below level 3 4th 22 points below level 3 5th 49 points below level 3</p>		<p>Socioeconomically Disadvantaged (ELA): 52.7 points below standard</p> <p>Hispanic (ELA): 67.1 points below standard</p> <p>White (ELA): 14.5 points below standard.</p> <p>Students with Disabilities (ELA): 123.1 points below standard</p> <p>Homeless: 87 points below standard</p> <p>All students (ELA): 42.4 points below standard</p>

Students with Disabilities, Gen Ed) will have access to a broad course of study as monitored by the master schedules and site principals.	and master schedule monitoring.				groups to a broad course of study.
Percentage of 11th grade students scoring a standard met or standard exceeded on the CAASPP.	57.42% in ELA for 2020-2021 12.24% in Math for 2020-2021	36.06% in ELA for 2021-2022 18.65% in Math for 2021-2022	Public Results are not available for 2022-2023	47.86% in ELA for 2022-2023 17.39% in Math for 2022-2023	11th grade students will continue to increase their performance on the CAASPP assessment in Mathematics. They will also increase their performance on the ELA assessment for the 2023-2024 school year.

Goal Analysis

An analysis of how this goal was carried out in the previous year.

A description of any substantive differences in planned actions and actual implementation of these actions.

Of the actions outlined in the LCAP for this goal, the implementation of the Dual Language Immersion program was not completed due to a lack of staff time to complete this action. Anchor Academy has been less effective this year because of a lack of available staffing. The LLI program has been implemented at Redwood, Dana Gray, and FBMS. It has shown the most effectiveness at FBMS. The program has needed supplements with other materials at Dana Gray and Redwood. Paper Tutoring has not been as widely used as was hoped. There were only 195 tutoring sessions throughout the 2023-2024 school year.

An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.

Most budgeted expenditures in this goal were similar to the estimated actual expenditures. The areas with significant differences were:

2.3 Alternative Education, Credit Recovery, and Independent Study- This area had only Alternative Education and some of the Credit Recovery program in the budgeted expenditures. For the actuals, FBUSD included all credit recovery and independent study costs in this item.

2.4 Anchor Academy- This expense was significantly less because we had one less staff member in the program for 23-24.

2.13 After School Support- This budget was covered by the Expanded Learning Opportunities Program funds for 23-24.

An explanation of how effective or ineffective the specific actions were in making progress toward the goal during the three-year LCAP cycle.

Overall, the actions in this goal supported student recovery of learning from the pandemic. The measures of student progress are not yet reflecting the full effect of these efforts. The following actions showed positive results for the LCAP cycle:

LLI implementation at FBMS

Intervention Teachers- provided reading support for students at RW, DG, FBMS, and FBHS

Alternative Education- provided credit recovery for students in need. Credit recovery was also offered at FBHS

Anchor Academy continues to support students who are in need of project-based learning opportunities at FBHS.

Instructional Assistants continue to provide the needed support for student success in general education classrooms.

EL Coordinator and Bilingual Instructional Assistants provide much needed services for our multi-lingual learners.

Foundation and support classes at FBHS have not proved to be as effective in addressing student needs as hoped.

Instructional Coaches at DG and RW have proven to be needed supports for teachers as they develop their skills.

School Counselors are effective at supporting students at each school site.

Professional Development for our teachers has been effective in broadening their skills to engage students.

We have maintained a senior library assistant at each comprehensive site in the district.

Our after school support programs are flourishing under our partnership with Flockworks. We are serving approximately _____ students in these programs.

We did not have the capacity to plan effectively for Dual Language Immersion programs.

The Transitional Kindergarten program continues to serve the students enrolled in the program.

A description of any changes made to the planned goal, metrics, desired outcomes, or actions for the coming year that resulted from reflections on prior practice.

LLI needs additional supplements at DG and RW, particularly in phonics

Fully Staff Anchor Academy for the coming year

Expand intervention teachers to include intervention in math
Offer a newcomer academy to support our students who have recently moved to our country and need language support
Discontinue foundation and support classes at FBHS.
Analyze the instructional coach schedule to ensure the teachers who have the biggest needs are receiving the most support.
The focus of the professional development will shift to building internal capacity for coaching and to have a common approach to working with word problems in math.
There will be Dual Language Immersion program planning meetings starting in the fall to support piloting the program in 2025-2026.
As we complete construction of additional TK classrooms, we can expand the hours that students are served.

A report of the Total Estimated Actual Expenditures for last year's actions may be found in the Annual Update Table. A report of the Estimated Actual Percentages of Improved Services for last year's actions may be found in the Contributing Actions Annual Update Table.

Goals and Actions

Goal

Goal #	Description
3	Improve School Culture

Measuring and Reporting Results

Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Year 3 Outcome	Desired Outcome for 2023–24
Suspension Data	<p>For 2018-19 (reported in the fall of 2019-20), FBUSD's California School Dashboard for suspension rate is 4.6%. This is a 1.8% increase (decline) from the previous school year.</p> <p>Due to COVID-19, the California School Dashboard was suspended for the 2019-20 school year. School suspension data will resume reporting for the 2021-22 school year.</p>	2021-22: 5.2% of students were suspended at least 1 time during the school year.	2022-2023: Data not available at the time of approval.	For 2022-2023, the suspension rate declined by 0.9% year over year.	FBUSD's suspension rate will decline by 0.5% annually as compared to our 2018-19 Dashboard.
Chronic Absenteeism Data	Chronic Absenteeism Rate:	2021-22: 36.7% This is a new baseline for chronic absenteeism.	2022-2023: Data not available at the time of approval.	For 2022-2023, the chronic absenteeism rate was 39.3%. For the 2023-2024 school year, our chronic	FBUSD's chronic absenteeism rate will decline 1% annually as compared to our 2018-19 Dashboard.

Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Year 3 Outcome	Desired Outcome for 2023–24
	<p>2018-19: 13.6% - This is a 4.5% decline from 2017-18.</p> <p>2019-20: No data available due to COVID-19</p> <p>2020-21: No data available due to COVID-19</p>			absenteeism rate has been 23% for the district.	
Parent Participation	<p>Parent participation at parent conferences and parent information nights will be monitored to observe parent participation rate. This will include EL parents, SED parents, Foster/Homeless parents and parents with students who have Special Needs.</p> <p>2018-19 Data</p> <p>Redwood Parent Conferences</p> <p>Dana Gray Parent Conferences</p>	2021-22: Parent participation at Parent Conferences, FBMS & FBHS Information Nights improved this year as compared to 2020-21 since the return of in-person learning. This improvement is noted by administration observation and parent sign-in sheets.	2022-2023: Parent participation increased greatly this year as the pandemic restrictions were completely removed. Each school hosted parent participation nights about various topics as documented by administration observation and parent sign-in sheets.	Parent participation continues to be strong for the 2023-2024 school year. Each school hosted parent participation nights in English and Spanish focused on various topics as documented by administration observation and parent sign-in sheets.	Parent participation at parent conferences and parent information nights will increase by 2% annually.

Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Year 3 Outcome	Desired Outcome for 2023–24
	FBMS Information Nights FBHS Information Nights				
FBHS Graduation Rate	Fort Bragg High School 4-Year Cohort Graduation Rate Class of 2017: 87.3% Class of 2018: 90.3% Class of 2019: 92.6% Class of 2020: 93.5% Class of 2021: 93.9%	Class of 2022: 92.9%	Class of 2023: Data not available at the time of approval.	The graduation rate for 2022-2023 was 89.6%.	The FBHS 4-year cohort graduation rate will increase by 0.5% annually.
FBUSD Graduation Rate	FBUSD 4-Year Cohort Graduation Rate Class of 2017: 82.3% Class of 2018: 89.8% Class of 2019: 86.3% Class of 2020: 80.9% Class of 2021: 86.9% *Students who complete their diploma at Coastal Adult School and students who earn a Certificate of	Class of 2022: 88.1%	Class of 2023: Data not available at the time of approval.	The FBUSD graduation rate for 2022-2023 was 84.2%.	The FBUSD 4-year cohort graduation rate will increase by 2% annually.

Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Year 3 Outcome	Desired Outcome for 2023–24
	Completion as outlined in their IEP are not calculated as graduates.				
High School & Middle School Dropout Rates	<p>**2016-17 Adjusted Rates</p> <p>Number of Dropouts 7th Grade: 0 8th Grade: 1 9th Grade: 1 10th Grade: 0 11th Grade: 5 12th Grade: 6</p> <p>FBUSD total Annual Adjusted Dropout Rate for Grades 9-12: 2.1%</p> <p>**2015-16 Adjusted Rates</p> <p>Number of Dropouts 7th Grade: 5 8th Grade: 2 9th Grade: 7 10th Grade: 2 11th Grade: 4 12th Grade: 3</p>	<p>2021-2022</p> <p>In reviewing FBMS cumulative record data, the current middle school dropout rate is 0%.</p> <p>Number of Dropouts 7th Grade: 0 8th Grade: 0 9th Grade: 2 10th Grade: 2 11th Grade: 2 12th Grade: 2</p>	2022-2023: Data is not yet available at the time of approval.	2022-2023 we had 6 dropouts. 3 at FBHS and 3 at Noyo Continuation HS.	FBUSD will decrease the Annual Adjusted Dropout Rate by 0.1% annually.

Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Year 3 Outcome	Desired Outcome for 2023–24
	FBUSD total Annual Adjusted Dropout Rate for Grades 9-12: 2.7%				
Expulsion Rates	Number of Students Expelled from any FBUSD school 2017-18: 0 2018-19: 0 2019-20: 1 2020-21: 0	2021-22: 4	2022-2023: 3	For 2023-2024: 4	The number of expelled students will not exceed 1.
School facilities are maintained and are in good repair	FIT report for each school 2019-20: Redwood - Good Dana Gray - Good FBMS - Good FBHS - Good Alt. Ed - Good 2020-21: Redwood - Good Dana Gray - Good FBMS - Good FBHS - Good Alt. Ed - Good	2021-22: Redwood - Good Dana Gray - Good FBMS - Good FBHS - Good Alt. Ed - Poor	School facilities will be maintained in "Good" status.

Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Year 3 Outcome	Desired Outcome for 2023–24
Student/Staff/Parent School Culture Surveys	The School Counseling team developed and administered a student/staff/parent school culture survey this year. Results will be reviewed and analyzed annually.	2021-22: The School Counselors administered a parent survey this year. 312 responses were collected from parents throughout the district. These results were reviewed by the school counselors and administrators. A student and staff survey will be administered in the following years.	2022-2023: A staff survey was administered with 87 responses. A student survey was administered with 535 responses. a parent/community survey was administered with 94 responses. These results were reviewed with administrators and the Board of Trustees. Indicators show: Our schools are welcoming places where students and staff have access to technology and learning resources. Most employees and students report liking coming to school most days. Our counseling, music, and visual arts programs are beneficial to students. 90.8% of employees look forward to coming to work most of the time.	2023-24: A staff survey was administered with 118 responses. A student survey was administered with 535 responses. A parent/community survey was administered with 146 responses. These results were reviewed with administrators and the Board of Trustees. Indicators show: Our schools are welcoming places where students and staff have access to technology and learning resources. Most employees and students report liking coming to school most days. Our counseling, music, and visual arts programs are beneficial to students. 88% of employees look forward to coming to work most of the time.	FBUSD will analyze results annually. We are targeting increases in employee, parent, and student satisfaction as evidenced by their answers on the survey prompts outlined below: 1% increase in employee satisfaction 1% increase in parents feeling welcomed 5% increase in students liking school

Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Year 3 Outcome	Desired Outcome for 2023–24
			85.9% of parents feel welcomed at their child's school. 64% of students like school.	89% of parents feel welcomed at their child's school. 64% of students like school.	
Alternative Education Attendance Percentages	This is a new metric for the 2023-2024 LCAP.	New Metric	For 2022-2023, the Alternative Education attendance percentages were as follows: Noyo High School: 68% Lighthouse CDS: 64% Shelter Cove CDS: 64%	For 2023-24, the Alternative Education attendance percentages were as follows: Noyo High School: 87.4% Lighthouse CDS: 67.2% Shelter Cove CDS: 57.5%	5% increase in student attendance percentages for all three sites.
District Level Attendance Rates	As a result of COVID, the 2019-2020 attendance rate was not complete.	For 2020-2021 the districtwide attendance rate was 92.7%	For 2021-2022 the districtwide attendance rate was 82.36%	For 2022-2023, the districtwide attendance rate was 90.43%.	FBUSD would like to see an increase in the attendance percentage to a level close to the pre-pandemic levels.

Goal Analysis

An analysis of how this goal was carried out in the previous year.

A description of any substantive differences in planned actions and actual implementation of these actions.

The only action that was substantively different from the plan was for a Social Worker. The partner agency for this was not able to secure personnel for this service. Overall, this goal and the associated actions were implemented as written. A further analysis of actions is below.

An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.

Most budgeted expenditures in this goal were similar to the estimated actual expenditures. The areas with significant differences were:

3.5 Social Emotional Learning- The actual exceeded the budget by a significant amount due to the mid year approval of the Learning Recovery Emergency Block Grant (LREBG) funding that covered a pilot program for Mindfulness through Martial Arts and a contract with Mendocino County Youth Project to support our students.

3.7 Student Mental Health Supports- The amount expended from LCAP funds was not significantly different than the budgeted amount. The mid year approval of the LREBG and remining COVID Recovery funds were used to fund the additional services for mental health supports for students.

3.13 Contribution to Transportation- The actuals for this were lower than the budget because additional funding was provided at the state level for home to school transportation.

3.18 Middle School Assistant Principal- This amount was added after the approval of the LCAP. This position supports this goal.

An explanation of how effective or ineffective the specific actions were in making progress toward the goal during the three-year LCAP cycle.

Bilingual Family Liaisons- This action was very effective based on surveys and contacts. Our BFLs have provided services to at least 150 families representing at least 280 students.

Library updates have been effective. We have spent \$31,000 to update libraries across the district.

Restorative practices have been effective at reducing our suspension rates across the district.

Positive Behavior Interventions and Supports (PBIS) programs have been effective at recognizing positive behaviors and decreasing suspensions.

Social Emotional Learning has been effectively implemented throughout the district.

Link Crew, WEB, and POD Squad have been implemented at Dana Gray, FBMS, and FBHS. These programs have provided successful peer support to ensure students feel a sense of belonging in school.

Student mental health support has been successful in our schools.

FBUSD athletic programs have successfully increased the number of people attending our athletic events.

The Athletic Director position has been beneficial to ensure our students have access to quality athletic programs at the middle and high school levels.

Culturally responsive teaching practices were a focus of professional development for the site and district leadership for the 2023-2024 school year.

Elective offerings at the middle and high school levels has been as robust as our size and budget will allow.

Our district contribution to transportation keeps our routes as robust as possible given our limited resources.

Student attendance review has been actively happening at all sites and at the district level SARB. Our chronic absenteeism rate has declined this school year.

Parent Square is an effective communication system for connecting with parents.

Parent education events have been offered in the district including parent awareness of scholarships and college applications, gangs and drugs, and literacy during the school year.

A description of any changes made to the planned goal, metrics, desired outcomes, or actions for the coming year that resulted from reflections on prior practice.

- Increase the number of family liaisons through grant funds.
- Provide additional professional development opportunities for restorative practices.
- A refreshed SEL curriculum should be provided at sites where appropriate.
- All district events to be offered free of charge.
- Discontinue the social worker action item.
- Support site leaders in implementing professional development in Culturally Responsive Teaching practices.
- Add support for childcare and food for families to encourage parent engagement in parent education events.

A report of the Total Estimated Actual Expenditures for last year’s actions may be found in the Annual Update Table. A report of the Estimated Actual Percentages of Improved Services for last year’s actions may be found in the Contributing Actions Annual Update Table.

Instructions

For additional questions or technical assistance related to the completion of the Local Control and Accountability Plan (LCAP) template, please contact the local county office of education (COE), or the California Department of Education’s (CDE’s) Local Agency Systems Support Office, by phone at 916-319-0809 or by email at lcff@cde.ca.gov.

Complete the prompts as instructed for each goal included in the 2023–24 LCAP. Duplicate the tables as needed. The 2023–24 LCAP Annual Update must be included with the 2024–25 LCAP.

Goals and Actions

Goal(s)

Description:

Copy and paste verbatim from the 2023–24 LCAP.

Measuring and Reporting Results

- Copy and paste verbatim from the 2023–24 LCAP.

Metric:

- Copy and paste verbatim from the 2023–24 LCAP.

Baseline:

- Copy and paste verbatim from the 2023–24 LCAP.

Year 1 Outcome:

- Copy and paste verbatim from the 2023–24 LCAP.

Year 2 Outcome:

- Copy and paste verbatim from the 2023–24 LCAP.

Year 3 Outcome:

- When completing the 2023–24 LCAP Annual Update, enter the most recent data available. Indicate the school year to which the data applies.

Desired Outcome for 2023–24:

- Copy and paste verbatim from the 2023–24 LCAP.

Timeline for completing the “Measuring and Reporting Results” part of the Goal.

Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Year 3 Outcome	Desired Outcome for Year 3 (2023–24)

Goal Analysis

Using actual annual measurable outcome data, including data from the Dashboard, analyze whether the planned actions were effective in achieving the goal. Respond to the prompts as instructed.

A description of any substantive differences in planned actions and actual implementation of these actions.

- Describe the overall implementation of the actions to achieve the articulated goal. Include a discussion of relevant challenges and successes experienced with the implementation process. This must include any instance where the LEA did not implement a planned action or implemented a planned action in a manner that differs substantively from how it was described in the adopted LCAP.

An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.

- Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures and between the Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services, as applicable. Minor variances in expenditures or percentages do not need to be addressed, and a dollar-for-dollar accounting is not required.

An explanation of how effective or ineffective the specific actions were in making progress toward the goal during the three-year LCAP cycle.

- Describe the effectiveness or ineffectiveness of the specific actions in making progress toward the goal during the three-year LCAP cycle. “Effectiveness” means the degree to which the actions were successful in producing the desired result and “ineffectiveness” means that the actions did not produce any significant or desired result.
 - In some cases, not all actions in a goal will be intended to improve performance on all of the metrics associated with the goal.
 - When responding to this prompt, LEAs may assess the effectiveness of a single action or group of actions within the goal in the context of performance on a single metric or group of specific metrics within the goal that are applicable to the action(s). Grouping actions with metrics will allow for more robust analysis of whether the strategy the LEA is using to impact a specified set of metrics is working and increase transparency for educational partners. LEAs are encouraged to use such an approach when goals include multiple actions and metrics that are not closely associated.
 - Beginning with the development of the 2024–25 LCAP, the LEA must change actions that have not proven effective over a three-year period.

A description of any changes made to the planned goal, metrics, desired outcomes, or actions for the coming year that resulted from reflections on prior practice.

- Describe any changes made to this goal, expected outcomes, metrics, or actions to achieve this goal as a result of this analysis and analysis of the data provided in the Dashboard or other local data, as applicable.
 - As noted above, beginning with the development of the 2024–25 LCAP, the LEA must change actions that have not proven effective over a three-year period. For actions that have been identified as ineffective, the LEA must identify the ineffective action and must include a description of the following:
 - The reasons for the ineffectiveness, and
 - How changes to the action will result in a new or strengthened approach.

California Department of Education
November 2023

Local Control and Accountability Plan

The instructions for completing the Local Control and Accountability Plan (LCAP) follow the template.

Local Educational Agency (LEA) Name	Contact Name and Title	Email and Phone
FORT BRAGG UNIFIED SCHOOL DISTRICT	Joseph Aldridge Superintendent	jaldridge@fbusd.us (707) 961-2850 ext. 3525

Plan Summary [2024-25]

General Information

A description of the LEA, its schools, and its students in grades transitional kindergarten–12, as applicable to the LEA.

Fort Bragg, a coastal city along State Route 1 in Mendocino County, was incorporated on August 5, 1889. For many decades lumber and fishing were the primary sources of financial and cultural development. Immigrants from Finland, Portugal, Ireland, and more recently Mexico, came to the area in search of lucrative employment. For generations, families worked in the forests or on the waters of the Mendocino Coast. The primary financial and cultural influence of logging and fishing has shifted over time to tourism leading the financial influence in our coastal community.

The City of Fort Bragg, Adventist Health, grocery stores and FBUSD are the largest employers in our region. There are some degree and certificate options through Mendocino College. However, a large number of students need to leave the area to attend a four year university program. While the town's population has stabilized over the last ten years, the district's overall enrollment has declined. Today, Fort Bragg's population is approximately 7000, with 14,000 living within the district service area. Service jobs represent the majority of income for local residents. The average income for a family of four is just below \$53,000 and about 39% of the population has a high school education, or less. 16% of people under 18 in Fort Bragg live in poverty. FBUSD is charged with educating our youth and preparing them for an uncertain world.

The Fort Bragg Unified School District (FBUSD) consists of five campuses:

- 1) Redwood Elementary School - serving preschool, transitional kindergarten, kindergarten, 1st grade and 2nd grade
- 2) Dana Gray Elementary School - serving grades 3-5
- 3) Fort Bragg Middle School (FBMS) - serving grades 6-8
- 4) Fort Bragg High School (FBHS) - serving grades 9-12
- 5) Alternative Education - consisting of four small schools: Noyo High School (continuation high school grades 10-12); Lighthouse Community Day School (grades 9-12); Shelter Cove Community Day School (grades 5-8); and Coastal Adult School (serving adult students who are working towards earning their high school diploma)

FBUSD is proud of the programs we are able to provide to our students given our small size and limited resources. Some of these programs include our preschool inclusion program, instrumental music program, drama, CTE courses (Agriculture, Culinary, Information & Communication Technology), AP & Dual Enrollment classes, middle school athletics, high school CIF athletics, and Big Picture Learning (Alternative Education project-based learning program).

The FBUSD student body is comprised of 47.4% Hispanic students and 38.7% Anglo students, 6% two or more ethnicities, with other ethnicities (African American, Asian American and Native American) comprising the final 7.9% of our students. Approximately 18% of our students qualify as English Learners and 14.7% of our student population qualifies for special education. Because of our high rate of students who are socio-economically disadvantaged (77.2%), FBUSD is a CEP (community eligibility program) district where all students are able to eat school meals free of charge regardless of household income status. Breakfast is provided each morning at Redwood and Dana Gray with our older students eating breakfast during the mid-morning break. Our school gardens supply some of the food served in our kitchens and our Nutrition Services department has been recognized for their innovative methods to serve students fresh food.

Our students are not only supported by the outstanding staff at each school, they are also supported through the thriving Parent and Booster Clubs throughout the district. These parent sponsored organizations raise thousands of dollars each year to support extra curricular activities at our schools. We are fortunate to live in a community that prioritizes the needs of our children to support their development into adulthood. FBUSD has active partnerships with Flockworks, Mendocino Coast Recreation and Parks Department, Mendocino County Youth Project, and the City of Fort Bragg. These partnerships exemplify the dedication within our community to the success of our students and programs.

Reflections: Annual Performance

A reflection on annual performance based on a review of the California School Dashboard (Dashboard) and local data.

In analyzing the data from the California School Dashboard, we have identified several areas of concern. Chronic Absenteeism is the area of the largest concern. For 2022-2023, our chronic absenteeism rate was at 39.3% with Socioeconomic disadvantaged (41.2% chronically absent), Hispanic (35.2% chronically absent), and White (43.3% chronically absent) student groups showing the highest rates of chronic absenteeism.

Statewide assessments for 2022-2023 indicate that districtwide our students are 42.4 points below standard in English Language Arts. Our students are 89.8 points below standard in Math. On the English Language Arts section of the CAASPP testing, English learners (76.4 points below standard), students with disabilities (123.1 points below standard), and homeless students (87 points below standard) were among our lowest achieving student groups. On the math portion of the CAASPP testing, English learners (122.6 points below standard), Hispanic (113.4 points below standard), homeless (132.7 points below standard), socioeconomically disadvantaged (102.3 points below standard), and students with disabilities (160.5 points below standard) are among our lowest achieving student groups. Our local data indicate that our students need support in making and maintaining connections to the school and community. There is a need for social-emotional support as well as continued counseling and engagement opportunities for students.

The suspension rate at FBHS for students in the Hispanic group was 11.4%, for students in the English Learner group was 10.3%, and for students in the Students with Disabilities group was 12.7%.

Within our surveys, we were also able to identify the need for continued parental support and education, the need for increased school safety, and the desire to continue to offer our community opportunities to engage with our school sites. Our Surveys had 146 Parent responses, 118 Staff responses, and 535 Student responses.

Parents generally agree that their students are Prepared for the next grade level (63%), Have access to instructional technology (74.5%), Cared for by staff (79.3%), and Safe at school (63.4%). Parents also report that they feel like a partner in their child's education (71.7%), Have their concerns addressed by staff (79%), Feel welcome at school (69%), and School rules are clearly communicated (71.9%).

Students generally agree that they: Like school (64%), Feel safe at school (79.4%), Feel encouraged by the adults (91.9%), Understand school rules (81.6%), Can get help at school (92.3%), Are engaged at school (66.8%), Can access counseling (80.5%), and Have access to needed materials (86.8%). The area of greatest concern on the student survey is only 47.7% of students feel that students treat each other well.

Staff generally agree that: Students have access to learning materials (78%), Students look forward to attending school (64.4%), Students benefit from the counseling program (83.8%), Staff can engage in professional development (72%), Staff are part of decision making (65.3%), Staff look forward to coming to work (88%), School is safe for students and staff (83.8%), Staff have high expectations of students (74.6%), and District administration fosters open communication (72.9%).

Local assessments indicate that our students are making progress as indicated by academic achievement testing. Districtwide, our most recent assessment results show 22% of students at or above grade level in Math and 35% of students at or above grade level in Reading.

Reflections: Technical Assistance

As applicable, a summary of the work underway as part of technical assistance.

The Mendocino County Office of Education has provided guidance and technical assistance in responding to our identified needs. They have provided additional professional development opportunities for our staff as well as support for our administrators. Our administrative team conducted root cause analyses for the areas of chronic absenteeism, parent and community engagement, and academic achievement performance. As a result of our root cause analyses, we were able to identify specific strategies to support our needs.

Parent and Community Engagement:

- Additional Family Liaison positions to support parents in navigating and connecting to schools.
- Need to add value to parent engagement opportunities
- Students perceive more value and relevance within their school program

Chronic Absenteeism:

- Our location requires out of area travel for medical and other services
- Parents need education on the impacts of poor school attendance
- Student wellness is an important focus to increase school attendance
- Transportation can be a barrier for some families in regular school attendance, particularly during the winter

Student Academic Achievement:

- Students continue to need intervention in reading
- Students would benefit from intervention in math
- Professional development needs to shift focus to provide greater support for math

Comprehensive Support and Improvement

An LEA with a school or schools eligible for comprehensive support and improvement must respond to the following prompts.

Schools Identified

A list of the schools in the LEA that are eligible for comprehensive support and improvement.

FBUSD does not have any schools eligible for comprehensive support and improvement.

Support for Identified Schools

A description of how the LEA has or will support its eligible schools in developing comprehensive support and improvement plans.

N/A

Monitoring and Evaluating Effectiveness

A description of how the LEA will monitor and evaluate the plan to support student and school improvement.

N/A

Engaging Educational Partners

A summary of the process used to engage educational partners in the development of the LCAP.

School districts and county offices of education must, at a minimum, consult with teachers, principals, administrators, other school personnel, local bargaining units, parents, and students in the development of the LCAP.

Charter schools must, at a minimum, consult with teachers, principals, administrators, other school personnel, parents, and students in the development of the LCAP.

An LEA receiving Equity Multiplier funds must also consult with educational partners at schools generating Equity Multiplier funds in the development of the LCAP, specifically, in the development of the required focus goal for each applicable school.

Educational Partner(s)	Process for Engagement
Parents- Redwood Elementary	In addition to a parent survey, the superintendent attended a Parents Club meeting on 2/6/24 and a Site Council meeting on 2/12/24.
Parents- Dana Gray Elementary	In addition to a parent survey, the superintendent attended a Parents Club meeting on 1/9/24 and a Site Council meeting on 12/14/23.
Parents- Fort Bragg Middle School	In addition to a parent survey, the superintendent attended a Site Council meeting on 12/14/23.
Parents- Fort Bragg High School	In addition to a parent survey, the superintendent led a Parent/Community meeting on 2/26/24.
Parents- Alternative Education	In addition to a parent survey, the superintendent attended a Site Council meeting on 1/18/24. The site council highlighted Chronic Absenteeism as the focus goal for the Equity Multiplier funds in subsequent meetings with the principal.
Students- Dana Gray Elementary	A school climate survey for students was administered. The superintendent also met with the POD Squad (5th grade student leadership) on 2/15/24.
Students- Fort Bragg Middle School	A school climate survey for students was administered. The superintendent also met with the Student Leadership Class on 3/12/24.
Students- Fort Bragg High School	A school climate survey for students was administered. The superintendent also met with the Student Leadership Class on 2/16/24, the ASB Student Government on 2/27/24, and the Newcomer ELD Class on 2/29/24.

Educational Partner(s)	Process for Engagement
Students- Alternative Education	A school climate survey for students was administered. The superintendent also met with the Site Council on 1/18/24, which has student leaders participating.
Staff- Redwood Elementary	In addition to a staff survey, the superintendent met with the school site council on 2/12/24, the site staff leadership team on 3/5/24, and additional site staff on 11/1/23.
Staff- Dana Gray Elementary	In addition to a staff survey, the superintendent met with the school site council on 12/14/23, the site staff on 1/10/24, and additional site staff on 11/1/23.
Staff- Fort Bragg Middle School	In addition to a staff survey, the superintendent met with the school site council on 12/14/23, the site staff on 1/10/24, and additional site staff on 11/1/23.
Staff- Fort Bragg High School	In addition to a staff survey, the superintendent met with the site staff on 2/7/24 and additional site staff on 11/1/23.
Staff- Alternative Education	In addition to a staff survey, the superintendent met with the school site council on 1/18/24 and the site staff on 2/7/24. The staff highlighted Chronic Absenteeism as the focus goal for the Equity Multiplier funds.
District English Learner Advisory Committee	The superintendent met with the DELAC on 9/7/23, 12/12/23, 2/7/24, and 5/2/24.
Newcomer Students	The superintendent met with Newcomer students at FBHS on 2/29/24.
General Feedback Meetings	The superintendent held general LCAP feedback meetings on 2/15/24 and 2/26/24.
FBUSD Board of Trustees	In addition to regular Board of Trustees meetings throughout the year, the BOT held a special meeting on 4/4/24 to discuss the LCAP.
Fort Bragg District Teachers Association	Monthly meetings are held throughout the year to get feedback about district and labor relations.
California School Employees Association	Monthly meetings are held throughout the year to get feedback about district and labor relations.

Below is a list of the feedback received during educational partner meetings throughout the district.

Students:

Hopes and Dreams:

- To become a Neurosurgeon or chiropractor
- Graduate college without failing or having to redo a class
- Visit all 7 continents
- Travel the world
- Be successful
- Become a pro soccer player
- Economic security with a job as a college professor
- Become financially stable
- Be in a career I love
- Change people's lives for the better
- Get good grades to go to college and get a degree in business and become successful
- Do good in school and own a Porsche 911
- Go to trade school and become an athlete
- Be happy and successful and content with life
- To become a nurse, make money to support my family, and become a better version of myself day by day
- Graduate from high school and get a career
- Be happy and successful
- Leave this town and go somewhere else
- Graduate and work
- Speak English well
- Become a flight attendant
- Save money to open a small business
- Become an electrician
- Attend a 4 year college
- Have a landscaping/agricultural business

Suggestions for After School: Chess club, Art, Drama club, Sports teams like soccer and basketball, Activities such as gaming, music club, and driving lessons, Provide opportunities for specific interests like surfing or piano instruction.

- More Engaging Activities: Suggestions include implementing 3D art, having more field trips, making learning more fun, incorporating interactive learning tools like projectors, and providing hands-on activities like science experiments.
- Addressing Classroom Behavior: Several responses highlight the need for better discipline to address disruptive behavior, stricter consequences for misbehaving students, and ensuring a safe and respectful environment for learning.
- Improving Instruction: Ideas include providing more varied and engaging lessons, incorporating educational games, offering more advanced math classes, and ensuring teachers are effective and supportive.

- Supporting Student Needs: Suggestions include offering more tutoring or support for students struggling with specific subjects, providing nutritious food options, addressing restroom cleanliness, and allowing flexibility for students with extracurricular activities.
- Enhancing School Environment: Some respondents suggest improvements to facilities, such as better playgrounds or cleaner bathrooms, while others highlight the importance of creating a positive and inclusive school culture.
- Addressing Technology Restrictions: Several responses express frustration with restrictions on websites like Wikipedia and suggest allowing more access to online resources for research purposes.

Other Suggestions:

- More mental health services
- Additional AP classes
- More course offerings
- Changes to the dress code
- More bilingual staff
- Later start time
- Faster service for cafeteria
- More internship opportunities

Parents:

Hopes and Dreams for your Student:

The desires for students' education and experiences expressed in the comments are varied but center around several key themes:

- Academic Excellence and Challenge: Many parents hope for their children to be academically challenged, provided with rigorous material, and prepared for success in higher education.
- Individualized Learning and Passion Pursuit: Parents desire a balance between foundational education and encouragement for students to explore their passions, such as art, music, science, or sports.
- Safety and Emotional Well-being: Ensuring a safe and supportive school environment, free from physical threats and bullying, is a common concern.
- Preparation for Life Beyond School: Parents wish for their children to be equipped with the skills, confidence, and knowledge necessary for success in college, careers, and adult life.
- Holistic Development: There is an emphasis on fostering personal growth, confidence, happiness, and fulfillment, in addition to academic achievement.
- Parental Involvement and Communication: Parents value open communication with teachers and schools, involvement in their child's education, and opportunities for feedback and collaboration.
- Innovation and Diverse Learning Experiences: Some express a desire for educational systems that prioritize individual needs, diverse learning experiences, and innovative teaching methods.

Overall, the comments reflect a shared aspiration for comprehensive, empowering, and enriching educational experiences that support students' growth, success, and well-being.

What can we do to improve student attendance?

Overall, the comments reflect a diverse range of perspectives on improving attendance, highlighting the importance of addressing various factors such as teaching quality, school environment, safety, parental involvement, and student well-being.

What would encourage parents to attend family nights or parent education opportunities?

- **Timing and Accessibility:** Many parents cite difficulty attending meetings due to conflicting schedules, work commitments, or childcare responsibilities. Suggestions for improving accessibility include holding meetings after hours, offering online options via Zoom, providing advance notice, and offering snacks or dinner for evening meetings.
- **Communication and Engagement:** Parents value clear and concise communication about meeting purposes and topics. They appreciate reminders, direct communications via email or text, and opportunities for one-on-one interactions with teachers.
- **Inclusivity and Representation:** Some parents express concerns about feeling unheard or unwelcome at meetings. They emphasize the importance of addressing diverse perspectives, providing translation services, and creating a welcoming and approachable atmosphere.
- **Relevance and Impact:** Parents are more likely to participate when they feel that meetings address meaningful topics and issues relevant to their child's education and well-being. They appreciate expert speakers, unique information, and actionable outcomes.
- **Flexibility and Adaptability:** Suggestions for accommodating diverse needs include offering virtual attendance options, scheduling meetings during nontraditional hours or days, and providing support for parents with disabilities or other challenges.

Additional Feedback:

- **Teacher Quality and Student Well-being:** Concerns were raised about a teacher negatively impacting a student's learning experience, emphasizing the importance of ensuring qualified and supportive educators. Additionally, there were worries about inappropriate behavior and safety at the middle school level, with suggestions to restrict cell phone use and improve bathroom safety.
- **Infrastructure and Facilities:** The main concern here is the need for an all-weather track at the high school stadium to replace the current dirt track, which is considered unsafe and inadequate. There's a desire for upgrades to sports facilities to support athletics and prevent injuries.
- **Academic Curriculum and Support:** Suggestions include revising the curriculum to include more practical topics like personal finance and expanding internship opportunities for seniors. There's also a call for consistency in behavior expectations across classrooms and grade levels.
- **Parental Involvement and Communication:** Requests for better communication between teachers and parents, as well as more opportunities for parental involvement, were mentioned. This includes improving the school website as a source of information and providing alternative ways to engage with school events.
- **Safety and Discipline:** Concerns were raised about school safety, including the need for lockdown drills and better supervision during school events to prevent bullying and ensure student safety. Additionally, there were calls for enforcing dress codes and addressing issues related to gang culture and substance abuse.
- **Student Support Services:** Suggestions include providing programs to help new students feel included and addressing the social and emotional needs of students through programs like Challenge Day. There's also a request for improved meal schedules and additional recreational facilities at school campuses.

Other Feedback:

- Increased support for English Learners, including newcomer students

- Project based learning
- Support families with information on accessing college
- Increase art, music, drama, etc, classes
- Substance use prevention education and support
- Where and how to access community services for students
- Provide student mentorship programs
- Increase campus security

Staff:

Hopes and Dreams for our students:

The collective hopes and dreams for students encompass a broad spectrum of aspirations, from academic success to emotional well-being and community involvement. There's a desire for students to have access to innovative classrooms, employability skills, and a positive, inclusive school culture. Ensuring safety, providing adequate support for behavioral, emotional, and academic needs, and offering diverse learning opportunities are also emphasized. Additionally, there's a call for better resources, facilities, and programs, as well as interventions for challenging behaviors. Ultimately, the goal is for students to feel valued, supported, and prepared for success in both academic and personal realms, even in the face of challenging circumstances.

What is FBUSD doing well?

The feedback highlights several positive aspects of the educational experience at FBHS, including dedicated staff, impactful programs such as ANCHOR and the pantry, and diverse elective options like band, drama, and horticulture. The Big Picture Learning model is seen as beneficial, though more space and adult support are needed. There's recognition of efforts to support students' emotional and academic needs, as well as providing resources for diverse learners. However, concerns are raised about managing severe behaviors, the need for more counseling support, and addressing challenges with curriculum adoption and professional development. Overall, there's a commitment to creating a supportive, engaging, and inclusive learning environment for all students.

What could FBUSD do better?

The feedback emphasizes the need for increased communication about available programs, more support for basic skills, and a safer learning environment with additional resources and staff. Suggestions include clearer curriculum guidelines, improved teacher training, and better support for staff well-being. There's a call for enhanced parent involvement and understanding of educational processes, along with efforts to better prepare students for future success, whether through vocational training, academic support, or career pathways. Additionally, there are requests for expanded extracurricular opportunities, better use of instructional time, and a focus on fostering creativity and critical thinking skills.

What are your suggestions to improve student attendance?

The suggestions center around improving student attendance through various means such as cash incentives, rewards, and a possible shift to a four-day school week. There's an emphasis on enhancing the quality of school facilities, including better food services, increased staff supervision, and cleaner environments. Strategies to engage parents and families, such as home visits and better communication, are recommended, along with efforts to hold students accountable for their attendance. Providing diverse learning opportunities, fostering a positive school climate, and addressing health concerns, including illness policies and handwashing facilities, are also highlighted.

Additionally, there are calls for stricter consequences for absenteeism, more support for students facing barriers to attendance, and the implementation of attendance-focused programs or initiatives.

What are your suggestions to increase student engagement?

The suggestions aim to enhance student engagement through various means, including offering more electives aligned with student interests, hands-on learning opportunities, and a diverse curriculum. There's a call for better classroom management training, additional support staff, and smaller class sizes to address disruptive behavior and provide more individualized attention. Strategies such as promoting communication, collaboration, and critical thinking, along with project-based learning, are suggested to foster engagement. Encouraging interactive lessons, incorporating technology, and creating a positive school culture through activities like rallies and clubs are also emphasized. Additionally, there's a recognition of the need for more teacher preparation time and emotional support counseling for students.

What are your suggestions to increase staff engagement?

The suggestions revolve around fostering a supportive and collaborative work environment for staff, providing more time for collaboration and professional development, and acknowledging staff contributions. There's a call for more staff bonding activities, flexible scheduling, and clear communication channels. Additionally, there's a desire for better support for teachers in managing classroom behavior and workload, as well as addressing issues related to cleanliness and hygiene in schools. Overall, the emphasis is on valuing staff input, promoting well-being, and building a positive school culture.

Other Feedback:

- Increased bilingual aid support
- Spanish language textbooks
- Increase access to a variety of electives and opportunities including art, music, dance, etc.
- Project based learning opportunities
- Increase access to reproductive health information and services

The LCAP Has been influenced by the feedback in the following ways:

We are continuing the following actions:

- Digital Portfolios
- AVID
- Career and College Specialist
- Dual Enrollment Courses
- Get Focused, Stay Focused
- Bilingual Family Liaisons
- Big Picture Learning
- Career and Technical Education
- Reading Intervention
- Credit Recovery
- Anchor Academy
- Additional Instructional Assistants
- EL Coordinator

- Bilingual Instructional Assistants
- Instructional Coaches at RW and DG
- School Counselors
- Professional Development in student engagement strategies
- Maintaining Library Technician positions at each site
- Kudos and ASSETS after school support programs
- Planning for a Dual Language Immersion program
- Transitional Kindergarten expansion
- Library materials update
- Restorative practices
- Positive Behavior Intervention and Support
- Link Crew, WEB, and POD Squad
- Student mental health support
- FBUSD athletic programs
- Athletic Director
- Culturally proficient instruction
- Elective offerings
- Contribution to transportation funding
- Student attendance review
- Parent communication tool
- Parent education events

Our Surveys had 146 Parent responses, 118 Staff responses, and 535 Student responses.

Parents generally agree that their students are Prepared for the next grade level (63%), Have access to instructional technology (74.5%), Cared for by staff (79.3%), and Safe at school (63.4%). Parents also report that they feel like a partner in their child's education (71.7%), Have their concerns addressed by staff (79%), Feel welcome at school (69%), and School rules are clearly communicated (71.9%).

Students generally agree that they: Like school (64%), Feel safe at school (79.4%), Feel encouraged by the adults (91.9%), Understand school rules (81.6%), Can get help at school (92.3%), Are engaged at school (66.8%), Can access counseling (80.5%), and Have access to needed materials (86.8%). The area of greatest concern on the student survey is only 47.7% of students feel that students treat each other well.

Staff generally agree that: Students have access to learning materials (78%), Students look forward to attending school (64.4%), Students benefit from the counseling program (83.8%), Staff can engage in professional development (72%), Staff are part of decision making (65.3%), Staff look forward to coming to work (88%), School is safe for students and staff (83.8%), Staff have high expectations of students (74.6%), and District administration fosters open communication (72.9%).

We are adding the following actions:

- Family liaisons for each school site

- Use Aeries Analytics to track student data in real time
- Expand intervention to include math
- Instructional Coach Stipends at FBMS and FBHS
- Free admission to all school and district programs
- Create a Newcomer Academy to serve students at FBMS and FBHS
- Provide inclusive educational experiences for our students with disabilities
- Hall Pass for visitor management and student check in/out
- StopIt anonymous reporting app
- School safety drills and training will be conducted annually.
- Student and Community Equity Committee will be formed and meet at least quarterly
- Addition of a school resource officer
- Standards aligned instruction in the least restrictive environment for our students with disabilities.
- Goal to reduce chronic absenteeism at our Alternative Education sites

Goals and Actions

Goal

Goal #	Description	Type of Goal
1	Increase College & Career Readiness	Broad Goal

State Priorities addressed by this goal.

Priority 1: Basic (Conditions of Learning)
 Priority 2: State Standards (Conditions of Learning)
 Priority 4: Pupil Achievement (Pupil Outcomes)
 Priority 7: Course Access (Conditions of Learning)

An explanation of why the LEA has developed this goal.

Student access to and success with Career Readiness (including college) is a major focus for our school system. We support students in developing their career or college to career skills. The outcomes students achieve provide a measure of the effectiveness of our system as well as demonstrating our priorities for student success upon graduation.

Measuring and Reporting Results

Metric #	Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Target for Year 3 Outcome	Current Difference from Baseline
1.1	CCI Dashboard	2023: 34.5% Prepared			An increase of at least 5% in the percentage of students who are prepared.	
1.2	A-G Completion Rate	2021-2022: 32.4% 2022-2023: 33.3%			An increase of at least 3% of students who complete A-G requirements.	
1.3	AP Exams passed with a score of 3 or higher	2021-2022: 60 2022-2023: 50			Maintaining the number of students passing AP exams at our current rate.	

Metric #	Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Target for Year 3 Outcome	Current Difference from Baseline
1.4	Dual Enrollment Participation	2021-2022: 39.59% 2022-2023: 41%			Increase dual enrollment participation by 5%.	
1.5	Dual Enrollment Completion	2021-2022: 248 courses completed 2022-2023: 335 courses completed			Increase the number of courses completed by at least 5 per year.	
1.6	CTE Completion Rate	Number of Students 2021-2022: 34 2022-2023: 57			Increase the number of CTE completers by at least 5 per year.	
1.7	CTE & A-G Completers (students who complete both)	Number of Students 2021-2022: 6 2022-2023: 5			Increase the number of A-G and CTE completers by 3 students per year.	
1.8	FBHS 4-Year Cohort Graduation Rate	Fort Bragg High School 4-Year Cohort Graduation Rate Class of 2022: 92.9% Class of 2023: 89.6%			Increase the graduation rate by at least 1% per year.	
1.9	FBUSD 4-Year Cohort Graduation Rate	FBUSD 4-Year Cohort Graduation Rate Class of 2022: 88.1% Class of 2023: 84.2%			Increase the graduation rate by at least 1% per year.	
1.10	FBUSD AVID program participation	2022-2023: 137 students 2023-2024: 247 students			Maintain the high enrollment in AVID classes throughout the district.	

Metric #	Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Target for Year 3 Outcome	Current Difference from Baseline
1.11	Career and College Specialist number of contacts with students and parents	2023-2024: Approximately 1900 contacts			Maintain or increase the number of parent and student contacts.	
1.12	Family Liaison number of contacts with parents and students	Average of 250 contacts with 141 different families per liaison			Increase to a minimum of 350 family contacts per year per liaison.	
1.13	CTE Enrollment	2023-2024: 255 Students			The number of students enrolled in CTE will increase by 10% total.	

Goal Analysis [2023-24]

An analysis of how this goal was carried out in the previous year.

A description of overall implementation, including any substantive differences in planned actions and actual implementation of these actions, and any relevant challenges and successes experienced with implementation.

Not Applicable.

An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.

Not Applicable.

A description of the effectiveness or ineffectiveness of the specific actions to date in making progress toward the goal.

Not Applicable.

A description of any changes made to the planned goal, metrics, target outcomes, or actions for the coming year that resulted from reflections on prior practice.

Not Applicable.

Actions

Action #	Title	Description	Total Funds	Contributing
1.1	Digital portfolios	All students will create, and annually update, a College & Career portfolio to help them develop a long-term college and/or career path.		Yes
1.2	AVID 6-12	AVID strategies will be provided for grades 6-12 with AVID classes will be provided for grades 7-12. In the upcoming years, AVID strategies will be added to the elementary grades in FBUSD. This includes dedicated AVID classes, licensing, professional development, and college trips.	\$195,950.00	Yes
1.3	Career & College Specialist	This new position, which began in August 2021, coordinates, organizes and schedules college and career events/fairs for Dana Gray, FBMS, and FBHS/Alt. Ed. This position works from the Career & College Center at FBHS to staff this room so that students are served during school hours including lunch and after school. This position works with students and families to support student post-secondary goals.	\$80,210.00	Yes
1.4	Dual Enrollment	Continue to expand Dual Enrollment opportunities in partnership with Mendocino College which helps all of our students, but especially our SED students, obtain college credits with little to no costs. This allows our students to graduate high school with, potentially, a semester's worth of credits which helps keep down the cost, and time, of obtaining a degree.	\$41,329.00	Yes
1.5	Graduation Data Support	FBUSD staff will use Aeries Analytics to monitor student progress toward graduation, with a particular emphasis on supporting our most in need populations.		Yes
1.6	Get Focused, Stay Focused	Get Focused, Stay Focused curriculum will be used during Freshman Seminar to support student success.	\$153,786.00	Yes

Action #	Title	Description	Total Funds	Contributing
1.7	Family Liaison	FBUSD has created two Bilingual Family Liaison positions. In addition, we have secured grant funding to provide an additional three Family Liaisons (bilingual preferred, but not required). This will ensure each site has the support of a family liaison to support student success. Related expense for this item is included in Goal/Action 3.1	\$0.00	Yes
1.8	Big Picture Learning	The Alternative Education schools will continue implementation of Big Picture Learning to provide project based learning to students in the alternative education program. This program is designed to help students find a potential career path with hands on experience with the related projects and connections with community mentors.	\$58,786.00	Yes
1.9	Career Technical Education (CTE)	FBUSD continues to support CTE pathways at Fort Bragg High School and identify potential gateway courses at Fort Bragg Middle School so that completed pathways are better supported at the FBHS. This provides all of our students an opportunity to be exposed to the real world circumstances that are akin to many local opportunities for careers beyond high school.	\$897,442.00	Yes

Goals and Actions

Goal

Goal #	Description	Type of Goal
2	Increase Student Academic Achievement	Broad Goal

State Priorities addressed by this goal.

- Priority 1: Basic (Conditions of Learning)
- Priority 2: State Standards (Conditions of Learning)
- Priority 4: Pupil Achievement (Pupil Outcomes)
- Priority 5: Pupil Engagement (Engagement)
- Priority 7: Course Access (Conditions of Learning)

An explanation of why the LEA has developed this goal.

Our students are not demonstrating their academic achievement as well as the state average in English Language Arts and Math on the CAASPP. In ELA, Students With Disabilities, English Learners, and Homeless Students are the identified student groups with the lowest performance. In Math, Hispanic, Students With Disabilities, English Learners, Socioeconomically Disadvantaged, and Homeless Students are the identified student groups with the lowest performance.

Measuring and Reporting Results

Metric #	Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Target for Year 3 Outcome	Current Difference from Baseline
2.1	FBUSD English Language Arts (ELA) CAASPP scores	2022-2023 CAASPP ELA English Learners (ELA): 76.4 points below standard Socioeconomically Disadvantaged (ELA): 52.7 points below standard			All student groups will increase performance by at least 5 points per year.	

Metric #	Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Target for Year 3 Outcome	Current Difference from Baseline
		<p>Hispanic (ELA): 67.1 points below standard</p> <p>White (ELA): 14.5 points below standard.</p> <p>Students with Disabilities (ELA): 123.1 points below standard</p> <p>Homeless: 87 points below standard</p> <p>All students (ELA): 42.4 points below standard</p>				
2.2	FBUSD Math CAASPP scores	<p>2022-2023 CAASPP Math</p> <p>English Learners (Math): 122.6 points below standard.</p> <p>Socioeconomically Disadvantaged (Math): 102.3 points below standard.</p> <p>Hispanic (Math): 113.4 points below standard.</p> <p>White (Math): 62.7 points below standard.</p> <p>Students with Disabilities (Math):</p>			All student groups will increase performance by at least 5 points per year.	

Metric #	Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Target for Year 3 Outcome	Current Difference from Baseline
		160.5 points below standard. Homeless (Math): 132.7 points below standard All students (Math): 89.8 points below standard				
2.3	ELPAC Scores	2022-2023 English Learner Data Number of EL Students: 325 42.3% of EL students made progress towards English language proficiency.			FBUSD will have more than 50% of English Learners making progress toward proficiency.	
2.4	EL Reclassification	Percent of EL Students Reclassified 2022-2023: 14.6%			FBUSD will increase EL reclassification by 1% per year.	
2.5	Teachers are appropriately credentialed and assigned.	Teaching Assignment Monitoring Outcomes for 2022-2023: 97.1 FTE Teachers Total Clear Credential: 72% Out of Field: 6.3% Intern: 5% Ineffective: 12% Incomplete: 3.7% Unknown: 1%			FBUSD will decrease the percentage of Ineffective assignments by 2% per year.	

Metric #	Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Target for Year 3 Outcome	Current Difference from Baseline
2.6	Every pupil in the school district has sufficient access to the standards-aligned instructional materials.	Percent of Sufficiency as verified by the Williams reporting: 2022-2023: 100% 2023-2024: 100%			FBUSD will maintain 100% textbook sufficiency per Williams reporting.	
2.7	EL students will have designated ELD time every day as monitored by the site principal.	Confirmed each year by the school master schedule.			Designated ELD time will be reflected in master schedules.	
2.8	All schools will use Board approved curricular programs as monitored by the site principals.	Confirmed each year through the Williams sufficiency reporting.			All schools will continue to use Board approved curricular programs.	
2.9	All student groups (EL, SED, Foster/Homeless, Students with Disabilities, Gen Ed) will have access to a broad course of study as monitored by the master schedules and site principals.	Confirmed each year through the Williams sufficiency reporting and master schedule monitoring.			FBUSD will continue to offer as broad a course of study as our budget and schedule will allow.	
2.10	Percentage of 11th grade students scoring a standard met or standard exceeded on the CAASPP.	47.86% in ELA for 2022-2023 17.39% in Math for 2022-2023			The percentage of 11th graders meeting or exceeding the standard will increase by 2% each year in ELA and 3% in math.	

Metric #	Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Target for Year 3 Outcome	Current Difference from Baseline
2.11	Number of Students Served in After School Programs	280 in Kudos TK-8 79 per day in ASSETS 9-12			At least 25% of students TK-8 will participate in Kudos after school programs. An average of 75 students per day will be served in ASSETS.	
2.12	FBUSD Local Assessment Results	iReady Diagnostic Reading: 35% At or above grade level Math: 22% At or above grade level			5% increase per year per subject.	
2.13	Noyo High School Graduation Rate	2022-2023: 47.6%			5% increase per year.	
2.14	Special Education Annual Determination Report from CDE	Indicator 5a LRE Regular Class 80% or more. 2022-2023: 60.73% (Target of 62%). Indicator LRE Regular Class less than 40%. 2022-2023: 18.26% (Target <16.5%).			Meet and maintain state established targets for this report in all areas.

Actions

Action #	Title	Description	Total Funds	Contributing
2.1	Provide Reading and Math intervention curricula in grades K-8.	FBUSD will provide intervention curricula to support student success in learning to read and to meet math learning objectives.	\$16,750.00	Yes
2.2	Intervention Teachers	FBUSD will add additional intervention teachers at Redwood, Dana Gray, FBHS, and FBMS to ensure students have successful outcomes in ELA and Math. The intervention programs will focus on our students with the highest identified needs.	\$997,778.00	Yes
2.3	Alternative Education & Credit Recovery	The Alternative Education site will continue to provide a wider range of credit recovery opportunities to address student needs. FBHS will also offer alternatives, such as online access and Saturday classes, for credit recovery in the comprehensive setting. Edgenuity is the current credit recovery platform. Designated Credit Recovery classes will be offered at FBHS to assist students in completing graduation credit and/or improving semester grades in A-G courses.	\$443,184.00	Yes
2.4	Anchor Academy	FBHS will provide a school-within-a-school program to serve underperforming students in grades 10-12 by providing alternative, project based learning opportunities.	\$209,121.00	Yes

Action #	Title	Description	Total Funds	Contributing
2.6	Instructional Assistants - Non SpEd	FBUSD will provide more support to students with the most intense needs through the use of our instructional aides in regular classrooms.	\$708,785.00	Yes
2.7	EL Coordinator & Bilingual Instructional Assistants	FBUSD will provide additional supports to our multilingual students through the use of multilingual aides and oversight/monitoring by the EL coordinator.	\$267,391.00	Yes
2.8	Newcomer Academy	Multilingual learners who are new to US schools will have access to the Newcomer Academy at FBHS and FBMS. Budget TBD		Yes
2.9	Instructional Coaches	Two full-time certificated instructional coaches will provide instructional teaching support for our teachers at Redwood and Dana Gray. Instructional Coach Stipends will be offered for FBMS and FBHS.	\$252,128.00	Yes
2.10	School Counselors	All schools have a full-time school counselor to support student achievement and social emotional learning. FBHS has two full-time counselors, including one bilingual counselor. The FBHS counselors will support all students, but will have a particular focus on reducing suspensions among English Learners, Hispanic students, and Students with Disabilities.	\$737,941.00	Yes
2.11	Professional Development (PD)	FBUSD will provide PD on active student engagement, student data analysis, differentiation strategies, group work lesson design, Tier II instructional strategies, Mathematics teaching strategies, and Universal Design for Learning targeted for English Learners and Long Term English Learners through Kelly Smith to support student learning. This PD will be available to teachers, instructional aids, and our After School Program staff.	\$128,250.00	Yes

Action #	Title	Description	Total Funds	Contributing
2.12	Maintain Library Technicians for comprehensive sites	FBUSD will provide Library Technicians for each comprehensive site. These technicians will provide support for students to access media and information.	\$259,960.00	Yes
2.13	After School Support	FBUSD will work with a contracted provider to ensure all students will have access to after school programs. We currently have Kudos (ASES) and ASSETS programs successfully running in the district.	\$598,462.00	Yes
2.14	Inclusive Classrooms	FBUSD will provide special education students access to inclusive classroom environments starting with the elementary school sites. FBUSD will provide ongoing professional development for general education teachers on inclusive teaching strategies and differentiated instruction to better support students with disabilities. Budget TBD		No
2.15	Dual Immersion Program Planning	FBUSD will plan and begin implementing a Dual Language Immersion program.	\$1,800.00	Yes
2.16	Transitional Kindergarten	Salaries, benefits, curriculum	\$406,943.00	Yes
2.17	Co Planning to Support Students with Disabilities	Allocate regular, scheduled time for special education and general education teachers to collaborate on lesson planning and modifications. There is specific cost associated with this item		No
2.18	Data Driven Instruction	Use formative assessments to monitor progress and adjust instructional strategies for students with disabilities. there is no identifiable cost associated with this item.		No

Goals and Actions

Goal

Goal #	Description	Type of Goal
3	Improve School Culture	Broad Goal

State Priorities addressed by this goal.

Priority 1: Basic (Conditions of Learning)
 Priority 5: Pupil Engagement (Engagement)
 Priority 6: School Climate (Engagement)
 Priority 8: Other Pupil Outcomes (Pupil Outcomes)

An explanation of why the LEA has developed this goal.

Our school and district discipline and attendance data demonstrate a need to address school culture.

Measuring and Reporting Results

Metric #	Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Target for Year 3 Outcome	Current Difference from Baseline
3.1	Suspension Data	2021-2022: 5.2% 2022-2023: 4.3%			FBUSD will continue to decrease the suspension rate by at least .5% per year.	
3.2	Chronic Absenteeism Data	2021-2022: 36.7% 2022-2023: 39.3%			Chronic absenteeism will decrease by at least 5% per year.	
3.3	Parent Participation	Parents have participated in parent nights and events at each school site throughout the year. These have included parent conferences, site			Parent participation will continue to increase with a wide variety of offerings provided	

Metric #	Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Target for Year 3 Outcome	Current Difference from Baseline
		council meetings, English Learner Advisory Committee meetings, parent information and education nights, a literacy night, a band concert, a drama performance, Children's Day, and Day of the Dead among other opportunities.			throughout the year.	
3.4	FBHS Graduation Rate	Fort Bragg High School 4-Year Cohort Graduation Rate 2022-2023: 89.6%			Increase graduation rates by at least 1% per year.	
3.5	FBUSD Graduation Rate	FBUSD 4-Year Cohort Graduation Rate 2022-2023: 84.2%			Increase graduation rates by at least 1% per year.	
3.6	High School & Middle School Dropout Rates	2022-2023: 6 dropouts in the district (3 FBHS, 3 Noyo HS)			Decrease by 1 dropout per year on average.	
3.7	Expulsion Rates	2022-2023: 3 2023-2024: 4			Continue to expel students only for mandatory expulsion offenses.	
3.8	School facilities are maintained and are in good repair	FIT report for each school 2023-2024: Redwood - Good Dana Gray - Good			Maintain all school sites in good repair.	

Metric #	Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Target for Year 3 Outcome	Current Difference from Baseline
		FBMS - Good FBHS - Good Alt. Ed - Poor				
3.9	Student/Staff/Parent School Culture Surveys	The Administrative Council developed and administered a student/staff/parent school culture survey this year. Results will be reviewed and analyzed annually.			Administer surveys to parents, students, and staff on an annual basis.	
3.10	Alternative Education Attendance Percentages	For 2023-24, the Alternative Education attendance percentages were as follows: Noyo High School: 87.4% Lighthouse CDS: 67.2% Shelter Cove CDS: 57.5%			Improve attendance by at least 2% per year at each of our Alternative Education schools.	
3.11	District Level Attendance Rates	For 2022-2023, the districtwide attendance rate was 90.43%.			Increase the attendance rate to at least 93%.	
3.12	Family Liaison Parent contacts	Average of 250 contacts with 141 different families per liaison			Increase to 350 parent/family contacts per year.	

Goal Analysis [2023-24]

An analysis of how this goal was carried out in the previous year.

A description of overall implementation, including any substantive differences in planned actions and actual implementation of these actions, and any relevant challenges and successes experienced with implementation.

Not Applicable.

An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.

Not Applicable.

A description of the effectiveness or ineffectiveness of the specific actions to date in making progress toward the goal.

Not Applicable.

A description of any changes made to the planned goal, metrics, target outcomes, or actions for the coming year that resulted from reflections on prior practice.

Not Applicable.

Actions

Action #	Title	Description	Total Funds	Contributing
3.1	Family Liaisons	Family liaisons will be provided at all school sites. Two of the site liaisons will be bilingual. Bilingual is preferred in the remainder of the positions. These positions will serve to connect families with the highest needs to our school and community services.	\$166,028.00	Yes
3.2	Library Updates	To promote and encourage reading across all grade levels, and to provide a more equitable representation of material for all student groups. FBUSD has made progress in this area, but additional growth is needed to bring libraries up to modern standards.	\$30,000.00	Yes
3.3	Restorative Practices (including students with special needs)	FBUSD will provide professional development and resources necessary to fully implement Restorative Practices at all school sites. There is no particular costs identified for this yet.		Yes

Action #	Title	Description	Total Funds	Contributing
3.4	Positive Behavioral Interventions & Supports (PBIS)	FBUSD will continue to provide resources necessary to fully implement PBIS at all TK-8 school sites.	\$700.00	Yes
3.5	Social-Emotional Learning (SEL) (including students with special needs)	SEL curriculum, training, and materials will be provided to staff to support full implementation of this program. Other SEL resources will be supported to address the needs of our students at all schools.	\$60,900.00	Yes
3.6	Link Crew, WEB (Where Everyone Belongs), & POD (Positive, Open-Minded, Determined) Squad	Link Crew, WEB and POD Squad are peer mentor groups that partner older students with the youngest students on campus. FBUSD will continue to support these programs.	\$28,362.00	Yes
3.7	Student Mental Health Supports	Student mental health is a topic of concern among students, staff, and parents. FBUSD will continue to provide additional counseling support to our students.	\$145,800.00	Yes
3.8	FBUSD Athletics Programs	Participation in athletics and extracurricular activities is a proven strategy to increase student engagement and success. The costs to support, participate, and attend athletic and extracurricular events can be cost prohibitive for many of our families. All home events (not including play-off games and fundraising tournaments) will be free to all FBUSD families to promote parent participation and involvement.	\$287,730.00	Yes
3.9	Athletic Director	FBUSD is committed to engaging students in activities that promote positive mental health and overall healthy choices. The middle school and high school athletic director provides greater support for student athletes to engage in physical activities and maintain strong academic standing.	\$83,080.00	Yes

Action #	Title	Description	Total Funds	Contributing
3.10	Anonymous Reporting App with crisis resources	FBUSD will provide an anonymous reporting app with additional crisis resources for our students to use.	\$1,275.00	Yes
3.11	Equity Focused Education	FBUSD will engage the staff in professional development focused on equitable campuses providing culturally competent experiences for all student groups, with a particular focus our lowest performing student groups.	\$90,000.00	Yes
3.12	Supplemental/elective offerings	Elective offerings at HS and MS; other supplemental programs District-wide	\$509,798.00	Yes
3.13	Contribution to transportation	Contribution from district funds to support student transportation.	\$529,255.00	Yes
3.14	Student Attendance Review	FBUSD will use site level Student Attendance Review Teams (SART) and district level School Attendance Review Board (SARB) to provide support to families at risk of chronic absenteeism. Students with disabilities and English learners are priority students for this action. There is no specific cost associated with this.		Yes
3.15	Parent Communication	FBUSD will provide Parent Square or a similar tool to facilitate communication between parents and school personnel.	\$9,185.00	Yes
3.16	Parent Education Events	FBUSD will provide at least three parent education events throughout the school year. The meetings will provide parent support on topics such as drug use prevention, mental health, and health and nutrition. The events will be offered in English and Spanish. Childcare and food will be provided to increase parent participation.		Yes
3.17	Visitor Check in system	School site offices will use software to check campus visitors in and out. This will increase campus security.	\$5,580.00	No

Action #	Title	Description	Total Funds	Contributing
3.18	School Safety Training and Drills	School safety training will be offered on an annual basis. Drills will be conducted as practicable with law enforcement support when appropriate. there has been no specific cost identified with this item.		No
3.19	Student and Community Equity Committee	A Student and Community Equity Committee will be formed. It will meet at least quarterly. There is no specific cost yet associated with this item.		Yes
3.20	School Resource Officer	FBUSD will partner with the Fort Bragg Police Department to have a school resource officer to support positive interactions on campus.	\$100,000.00	No
3.21	Special Education Students	Provide every FBUSD student eligible for special education support and services with an educational program in their least restrictive environment to the maximum extent possible, which includes standards-aligned instruction enabling students to meet or exceed state standards. There is no specific, identifiable costs associated with this item at this time.		No
3.22	Middle School Assistant Principal	Employ a middle school assistant principal to support the needs of students in the areas of behavior, attendance, and academics. This position will have a primary focus on our unduplicated students.	\$149,322.00	Yes

Goals and Actions

Goal

Goal #	Description	Type of Goal
4	Reduce chronic absenteeism at Alternative Education sites.	Equity Multiplier Focus Goal

State Priorities addressed by this goal.

Priority 5: Pupil Engagement (Engagement)
 Priority 6: School Climate (Engagement)
 Priority 8: Other Pupil Outcomes (Pupil Outcomes)

An explanation of why the LEA has developed this goal.

Based on feedback from parents, students, and community as well as attendance data, chronic absenteeism is a large concern among our students in alternative education. By focusing on this goal with equity multiplier funds, our alternative education program can support student success in goal achievement.

Measuring and Reporting Results

Metric #	Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Target for Year 3 Outcome	Current Difference from Baseline
4.1	Noyo High School Graduation Rate	2022-2023: 47.6%			Increase graduation rates by 5% per year.	
4.2	Attendance Rates for Alt Ed Schools	2022-2023 Noyo 85% Lighthouse 60% Shelter Cove 61% 2023-2024 Noyo 79% Lighthouse 67% Shelter Cove 57%			Increase attendance rates by at least 3% each year.	
4.3	Chronic Absenteeism Rates for Alt Ed Schools	2022-2023 Noyo 90% Lighthouse 88.9% Shelter Cove 85.7%			Decrease Chronic Absenteeism rate by at least 5% each year.	

Metric #	Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Target for Year 3 Outcome	Current Difference from Baseline
		2023-2024 Noyo 88.6% Lighthouse 94.7% Shelter Cove 87.5%

Actions

Action #	Title	Description	Total Funds	Contributing
4.1	Increase Communication with Parents	Alternative Education staff will contact parents to invite them to the mentorship meetings, project meetings and end-of-trimester exhibitions. Conferences will be held that will include staff and parents. Staff will utilize Parent Square to increase communication with parents as well as personal calls, emails, and home visits, as appropriate.	\$5,040.00	No

Action #	Title	Description	Total Funds	Contributing
4.2	Student Internships	Staff will continue to improve and expand the mentorship/internship program with various community businesses through Big Picture Learning. While at school, students will be involved in projects tied to their interests. Big Picture schools find that when students want to be at school to explore their interests and their attendance has increased. Students will be able to get hands-on training and a real world education. Because Shelter Cove students are too young for official internships, they will have the opportunity to be exposed to mentors onsite and also will engage in group service learning opportunities.	\$38,500.00	No
4.3	Attendance Incentives	Recognition and incentives for regular attendance and improved attendance	\$1,500.00	No
4.4	Provide Art as an engagement strategy	Art instruction will be provided to students to increase their engagement in school activities.	\$20,797.00	No

Required Descriptions

LEA-wide and Schoolwide Actions

For each action being provided to an entire LEA or school, provide an explanation of (1) the unique identified need(s) of the unduplicated student group(s) for whom the action is principally directed, (2) how the action is designed to address the identified need(s) and why it is being provided on an LEA or schoolwide basis, and (3) the metric(s) used to measure the effectiveness of the action in improving outcomes for the unduplicated student group(s).

Goal and Action #	Identified Need(s)	How the Action(s) Address Need(s) and Why it is Provided on an LEA-wide or Schoolwide Basis	Metric(s) to Monitor Effectiveness
1.1	Action: Digital portfolios Need: College and Career Readiness Activities Scope:	This action supports developing an awareness of career options throughout the elementary levels. As students move into middle and high school, this actions provides artifacts that support their movement into college and career pathways.	Number of items in the portfolios, number of students with complete portfolios
1.2	Action: AVID 6-12	AVID provides structured professional development and support for students and	Number of students enrolled in AVID

Goal and Action #	Identified Need(s)	How the Action(s) Address Need(s) and Why it is Provided on an LEA-wide or Schoolwide Basis	Metric(s) to Monitor Effectiveness
	<p>Need: Students need support to navigate school and see the opportunities for college and career outcomes.</p> <p>Scope: Schoolwide</p>	teachers to support student success in learning self-advocacy skills, college and career preparation, and social and emotional awareness.	
1.3	<p>Action: Career & College Specialist</p> <p>Need: Students need support in deciding on possible career pathways. They also need support to complete college exploration and applications.</p> <p>Scope: LEA-wide</p>	This position provides the support for career exploration, college exploration, and college applications.	Number of student and family contacts
1.4	<p>Action: Dual Enrollment</p> <p>Need: Students need access to a wide range of courses as well as support to complete college courses. Students also need ways to make college more affordable.</p> <p>Scope: Schoolwide</p>	Dual Enrollment in partnership with Mendocino College addresses these needs. Students have access to a supportive classroom environment while earning high school and college credits. Students can leave our system with a semester to a year of college credit.	Number of courses completed, percentage of students participating in Dual Enrollment

Goal and Action #	Identified Need(s)	How the Action(s) Address Need(s) and Why it is Provided on an LEA-wide or Schoolwide Basis	Metric(s) to Monitor Effectiveness
1.5	<p>Action: Graduation Data Support</p> <p>Need: Students need monitoring and support to ensure they are on track for graduation.</p> <p>Scope:</p>	Our staff will use analytics tools to track student progress in real time and provide counseling about needed changes or improvements.	Graduation rates
1.6	<p>Action: Get Focused, Stay Focused</p> <p>Need: Incoming 9th graders need support to ensure they have adequate study skills to be successful in high school.</p> <p>Scope: Schoolwide</p>	This curriculum as a part of Freshman Seminar provides students with the needed support to learn study and school success skills.	Number of students participating
1.7	<p>Action: Family Liaison</p> <p>Need: Students and families need support in navigating the school district and community resources to ensure student success.</p> <p>Scope: LEA-wide</p>	Family liaisons ensure that students and families have access to school and community resources for health, wellness, and school success.	The number of contacts the Family Liaisons have with parents throughout the year.
1.8	<p>Action: Big Picture Learning</p>	Big Picture Learning provides students with hands on and project based learning experiences that	Student attendance rates, graduation rates

Goal and Action #	Identified Need(s)	How the Action(s) Address Need(s) and Why it is Provided on an LEA-wide or Schoolwide Basis	Metric(s) to Monitor Effectiveness
	<p>Need: Students in Alternative Education need a different approach to instruction and learning to be successful.</p> <p>Scope: Schoolwide</p>	increase engagement. It also provides career and college planning and support through internships.	
1.9	<p>Action: Career Technical Education (CTE)</p> <p>Need: Students need access to career exploration and support through Career and Technical Education opportunities.</p> <p>Scope: Schoolwide</p>	This provides all of our students an opportunity to be exposed to the real world circumstances that are akin to many local opportunities for careers beyond high school.	Number of pathways offered, number of students participating.
2.1	<p>Action: Provide Reading and Math intervention curricula in grades K-8.</p> <p>Need: Our intervention programs need curricula to be successful in supporting students.</p> <p>Scope: Schoolwide</p>	Curricula with proven results will support our students in achieving better outcomes in reading and math.	CAASPP Scores, Interim Assessment Scores
2.2	<p>Action: Intervention Teachers</p> <p>Need:</p>	Intervention support in reading and math will provide students with the skills they are missing as evidenced by our interim assessments.	Interim assessment results, CAASPP results

Goal and Action #	Identified Need(s)	How the Action(s) Address Need(s) and Why it is Provided on an LEA-wide or Schoolwide Basis	Metric(s) to Monitor Effectiveness
	<p>Students have significant needs in phonics, reading, number sense, and calculation.</p> <p>Scope: LEA-wide</p>		
2.3	<p>Action: Alternative Education & Credit Recovery</p> <p>Need: Some of our high school students find themselves behind in credits due to various circumstances.</p> <p>Scope: Schoolwide</p>	This action provides opportunity for students to make up the deficient credits and graduate on time.	Number of students served, graduation rate
2.4	<p>Action: Anchor Academy</p> <p>Need: Some students need a more focused program with fewer daily transitions to be successful.</p> <p>Scope: Schoolwide</p>	Anchor Academy provides a focused classroom environment with a project based approach to learning that supports these diverse learners.	Enrollment in Anchor Academy, Graduation Rates
2.6	<p>Action: Instructional Assistants - Non SpEd</p> <p>Need: Students with high needs that are not identified for support in other programs need</p>	Providing additional instructional aid support in the classroom allows for more time spent in focused learning activities for students with the highest needs.	Interim assessment scores, CAASPP scores

Goal and Action #	Identified Need(s)	How the Action(s) Address Need(s) and Why it is Provided on an LEA-wide or Schoolwide Basis	Metric(s) to Monitor Effectiveness
	<p>additional support in the regular classroom environment.</p> <p>Scope: LEA-wide</p>		
2.7	<p>Action: EL Coordinator & Bilingual Instructional Assistants</p> <p>Need: Our multilingual learners have needs in English language development and translation.</p> <p>Scope: LEA-wide</p>	The EL Coordinator provides support for teachers to implement effective ELD classes. Our Bilingual Instructional Assistants provide translation and instructional support in the classrooms.	EL Student Progress
2.8	<p>Action: Newcomer Academy</p> <p>Need: Newcomer students often need more intensive ELD and English instruction.</p> <p>Scope: Schoolwide</p>	This position will support students in learning English as well as acclimating to our school system and community.	English Learner progress, surveys, interviews
2.9	<p>Action: Instructional Coaches</p> <p>Need:</p>	Instructional coaches provide the support to classroom teachers to ensure they can engage and instruct our most in need students.	CAASPP results, Interim assessments, teacher surveys

Goal and Action #	Identified Need(s)	How the Action(s) Address Need(s) and Why it is Provided on an LEA-wide or Schoolwide Basis	Metric(s) to Monitor Effectiveness
	<p>Teachers need support to ensure they can meet the diverse needs of students, particularly from our most in need populations.</p> <p>Scope: LEA-wide</p>		
2.10	<p>Action: School Counselors</p> <p>Need: Students need access to social emotional support as well as academic counseling.</p> <p>Scope: LEA-wide</p>	Counselors at each site provide the needed support to students.	Surveys, graduation rates
2.11	<p>Action: Professional Development (PD)</p> <p>Need: Our teachers need access to quality professional development to continuously improve their instructional skills in support of our most in need learners.</p> <p>Scope: LEA-wide</p>	Professional development offerings are in line with the needs expressed by staff as well as program needs based on data.	Surveys, CAASPP scores
2.12	<p>Action: Maintain Library Technicians for comprehensive sites</p> <p>Need:</p>	Library technicians support students in accessing information and using the library.	Surveys

Goal and Action #	Identified Need(s)	How the Action(s) Address Need(s) and Why it is Provided on an LEA-wide or Schoolwide Basis	Metric(s) to Monitor Effectiveness
	<p>Students need access to libraries and support in accessing information.</p> <p>Scope: LEA-wide</p>		
2.13	<p>Action: After School Support</p> <p>Need: Students need to have access to after school support for academics and enrichment.</p> <p>Scope: LEA-wide</p>	Kudos and ASSETS provide access to students throughout the system to ensure they have high quality support after school.	Program attendance, surveys
2.15	<p>Action: Dual Immersion Program Planning</p> <p>Need: Multilingual learners need access to Dual Language Immersion to increase their language skills. English only students will benefit from having high quality instruction to develop Spanish language skills.</p> <p>Scope: LEA-wide</p>	Dual Language Immersion will increase the academic performance and sense of community among these students.	Surveys, interim assessments, CAASPP scores
2.16	<p>Action: Transitional Kindergarten</p> <p>Need:</p>	Transitional Kindergarten allows students to have an additional year of instruction in early childhood, where it is most effective.	Enrollment, attendance rates

Goal and Action #	Identified Need(s)	How the Action(s) Address Need(s) and Why it is Provided on an LEA-wide or Schoolwide Basis	Metric(s) to Monitor Effectiveness
	<p>Students need increased time in school to ensure academic achievement</p> <p>Scope: Schoolwide</p>		
3.1	<p>Action: Family Liaisons</p> <p>Need: Our most vulnerable families need support to access school and community services. The Family Liaisons will also provide support for our homeless youth to ensure they have adequate resources to support school attendance.</p> <p>Scope: LEA-wide</p>	Family liaisons will help families access services within the school and community.	Surveys, number of families served
3.2	<p>Action: Library Updates</p> <p>Need: All of our students should see themselves represented in the materials in the library.</p> <p>Scope: LEA-wide</p>	Funding to update the libraries supports the purchase of materials that represent the wide range of cultural backgrounds our students represent.	Amount spent, number of books or other materials purchased.
3.3	<p>Action: Restorative Practices (including students with special needs)</p>	Restorative practices ensure students have a voice in correcting any wrongs that have occurred as a part of interactions on a school campus.	Surveys

Goal and Action #	Identified Need(s)	How the Action(s) Address Need(s) and Why it is Provided on an LEA-wide or Schoolwide Basis	Metric(s) to Monitor Effectiveness
	<p>Need: Traditional school discipline is not effective in supporting our most vulnerable populations.</p> <p>Scope: LEA-wide</p>		
3.4	<p>Action: Positive Behavioral Interventions & Supports (PBIS)</p> <p>Need: Traditional approaches to discipline do not actively support pro-social behaviors.</p> <p>Scope: Schoolwide</p>	PBIS supports pro-social behaviors rather than penalizing students for anti-social behaviors.	Surveys
3.5	<p>Action: Social-Emotional Learning (SEL) (including students with special needs)</p> <p>Need: Our most vulnerable learners need support in social emotional learning to ensure they have the tools necessary to overcome their challenges.</p> <p>Scope: Schoolwide</p>	SEL curriculum implementation will allow students to engage more fully with the school experience.	Surveys
3.6	<p>Action:</p>	These opportunities provide peer mentoring support to ensure students who are transitioning to	Surveys

	<p>Need: Students need access to athletics as a part of a well rounded education.</p> <p>Scope: Schoolwide</p>	engage in physical activities and maintain strong academic standing.	
3.10	<p>Action: Anonymous Reporting App with crisis resources</p> <p>Need: Our students need access to a way to anonymously report concerns.</p> <p>Scope: LEA-wide</p>	This action provides an app for students to report concerns and access crisis support any time.	App usage
3.11	<p>Action: Equity Focused Education</p> <p>Need: All students, especially our marginalized youth, need to experience culturally proficient school settings.</p> <p>Scope: LEA-wide</p>	Training for staff and leaders supports student experiences in achieving equity on our campuses.	Surveys, equity audits
3.12	<p>Action: Supplemental/elective offerings</p> <p>Need:</p>	Additional elective offerings provide students with a broad course of study.	Master schedules, surveys

Goal and Action #	Identified Need(s)	How the Action(s) Address Need(s) and Why it is Provided on an LEA-wide or Schoolwide Basis	Metric(s) to Monitor Effectiveness
	Students need access to a broad course of study Scope: LEA-wide		
3.13	Action: Contribution to transportation Need: Our students need access to transportation to ensure regular school attendance. Scope: LEA-wide	Providing transportation encourages students to attend school regularly.	Attendance rates, bus ridership
3.14	Action: Student Attendance Review Need: Students and families need support to encourage school attendance Scope:	Our student attendance teams have made progress in decreasing the chronic absenteeism rates.	Chronic absenteeism rates, attendance rates
3.15	Action: Parent Communication Need: Parents and educators need an easy to use platform to facilitate communication. Scope:	Parent Square provides a platform to facilitate two way communication between staff and families.	Usage statistics, surveys

Goal and Action #	Identified Need(s)	How the Action(s) Address Need(s) and Why it is Provided on an LEA-wide or Schoolwide Basis	Metric(s) to Monitor Effectiveness
	LEA-wide		
3.16	<p>Action: Parent Education Events</p> <p>Need: Parents need support to effectively parent and engage their students.</p> <p>Scope:</p>	These events will provide access to experts to support the development of parenting skills among any interested parents.	Attendance at events, surveys
3.19	<p>Action: Student and Community Equity Committee</p> <p>Need: Marginalized students need access to a forum to share their needs and challenges in a safe and supportive environment.</p> <p>Scope: LEA-wide</p>	An Equity Committee will make recommendations based on input from various populations to ensure our schools are equity focused organizations.	Surveys
3.22	<p>Action: Middle School Assistant Principal</p> <p>Need: Our unduplicated students need additional guidance and support during middle school.</p> <p>Scope: Schoolwide</p>	This position will provide targeted support to unduplicated students in the areas of behavior, attendance, and academic achievement.	Attendance Rates, Suspensions.

Limited Actions

For each action being solely provided to one or more unduplicated student group(s), provide an explanation of (1) the unique identified need(s) of the unduplicated student group(s) being served, (2) how the action is designed to address the identified need(s), and (3) how the effectiveness of the action in improving outcomes for the unduplicated student group(s) will be measured.

Goal and Action #	Identified Need(s)	How the Action(s) are Designed to Address Need(s)	Metric(s) to Monitor Effectiveness
1.1	Action: Digital portfolios Need: College and Career Readiness Activities are necessary to support unduplicated students to increase their readiness. Scope: Limited to Unduplicated Student Group(s)	This action supports developing an awareness of career options throughout the elementary levels. As students move into middle and high school, this actions provides artifacts that support their movement into college and career pathways.	Number of items in the portfolios, number of students with complete portfolios
1.5	Action: Graduation Data Support Need: Students need monitoring and support to ensure they are on track for graduation. Scope: Limited to Unduplicated Student Group(s)	Our staff will use analytics tools to track student progress in real time and provide counseling about needed changes or improvements.	Graduation rates for unduplicated students
2.1	Action: Provide Reading and Math intervention curricula in grades K-8. Need: Our intervention programs need curricula to be successful in supporting students, particularly unduplicated students. Scope:	Curricula with proven results will support our unduplicated (and all) students in achieving better outcomes in reading and math.	CAASPP Scores, Interim Assessment Scores disaggregated for unduplicated learners.

Goal and Action #	Identified Need(s)	How the Action(s) are Designed to Address Need(s)	Metric(s) to Monitor Effectiveness
3.14	Action: Student Attendance Review Need: Students and families need support to encourage school attendance Scope: Limited to Unduplicated Student Group(s)	Our student attendance teams have made progress in decreasing the chronic absenteeism rates.	Chronic absenteeism rates, attendance rates
3.16	Action: Parent Education Events Need: Parents need support to effectively parent and engage their students. Scope: Limited to Unduplicated Student Group(s)	These events will provide access to experts to support the development of parenting skills among any interested parents.	Attendance at events, surveys

For any limited action contributing to meeting the increased or improved services requirement that is associated with a Planned Percentage of Improved Services in the Contributing Summary Table rather than an expenditure of LCFF funds, describe the methodology that was used to determine the contribution of the action towards the proportional percentage, as applicable.

Our actions in the LCAP are primarily and principally directed at our unduplicated students. These various student groups make up a vast majority of the student population. As a result most of the actions are taken on a schoolwide or district wide basis and are intended to have a broad impact on the system. As a result of these factors, we believe that these proposed actions will increase and/or improve services for our unduplicated student groups. We also do not have actions that are targeted at only one unduplicated group of students.

Method for Percentage for Increased and Improved Services

The district estimated the amount of personnel time, equipment, and resources needed to accomplish the action. The dollar equivalent of these items was then compared to the entire amount for increased and improved services to calculate a percentage.

Additional Concentration Grant Funding

A description of the plan for how the additional concentration grant add-on funding identified above will be used to increase the number of staff providing direct services to students at schools that have a high concentration (above 55 percent) of foster youth, English learners, and low-income students, as applicable.

N/A All of our schools are above that percentage. We also have only one school per grade span except for alternative education placements.

Staff-to-student ratios by type of school and concentration of unduplicated students	Schools with a student concentration of 55 percent or less	Schools with a student concentration of greater than 55 percent
Staff-to-student ratio of classified staff providing direct services to students		
Staff-to-student ratio of certificated staff providing direct services to students		

2024-25 Total Expenditures Table

LCAP Year	1. Projected LCFF Base Grant (Input Dollar Amount)	2. Projected LCFF Supplemental and/or Concentration Grants (Input Dollar Amount)	3. Local Control and Accountability Plan Instructions

[Plan Summary](#)

[Engaging Educational Partners](#)

[Goals and Actions](#)

[Increased or Improved Services for Foster Youth, English Learners, and Low-Income Students](#)

For additional questions or technical assistance related to the completion of the Local Control and Accountability Plan (LCAP) template, please contact the local county office of education (COE), or the California Department of Education's (CDE's) Local Agency Systems Support Office, by phone at 916-319-0809 or by email at LCFF@cde.ca.gov.

Introduction and Instructions

The Local Control Funding Formula (LCFF) requires local educational agencies (LEAs) to engage their local educational partners in an annual planning process to evaluate their progress within eight state priority areas encompassing all statutory metrics (COEs have 10 state priorities). LEAs document the results of this planning process in the LCAP using the template adopted by the State Board of Education.

The LCAP development process serves three distinct, but related functions:

- **Comprehensive Strategic Planning:** The process of developing and annually updating the LCAP supports comprehensive strategic planning, particularly to address and reduce disparities in opportunities and outcomes between student groups indicated by the California School Dashboard (California *Education Code* [EC] Section 52064[e][1]). Strategic planning that is comprehensive connects budgetary decisions to teaching and learning performance data. LEAs should continually evaluate the hard choices they make about the use of limited resources to meet student and community needs to ensure opportunities and outcomes are improved for all students.
- **Meaningful Engagement of Educational Partners:** The LCAP development process should result in an LCAP that reflects decisions made through meaningful engagement (EC Section 52064[e][1]). Local educational partners possess valuable perspectives and insights about an LEA's programs and services. Effective strategic planning will incorporate these perspectives and insights in order to identify potential goals and actions to be included in the LCAP.
- **Accountability and Compliance:** The LCAP serves an important accountability function because the nature of some LCAP template sections require LEAs to show that they have complied with various requirements specified in the LCFF statutes and regulations, most notably:
 - Demonstrating that LEAs are increasing or improving services for foster youth, English learners, including long-term English learners, and low-income students in proportion to the amount of additional funding those students generate under LCFF (EC Section 52064[b][4-6]).
 - Establishing goals, supported by actions and related expenditures, that address the statutory priority areas and statutory metrics (EC sections 52064[b][1] and [2]).
 - **NOTE:** As specified in EC Section 62064(b)(1), the LCAP must provide a description of the annual goals, for all pupils and each subgroup of pupils identified pursuant to EC Section 52052, to be achieved for each of the state priorities. Beginning in 2023–24, EC

Section 52052 identifies long-term English learners as a separate and distinct pupil subgroup with a numerical significance at 15 students.

- Annually reviewing and updating the LCAP to reflect progress toward the goals (*EC* Section 52064[b][7]).
- Ensuring that all increases attributable to supplemental and concentration grant calculations, including concentration grant add-on funding and/or LCFF carryover, are reflected in the LCAP (*EC* sections 52064[b][6], [8], and [11]).

The LCAP template, like each LEA's final adopted LCAP, is a document, not a process. LEAs must use the template to memorialize the outcome of their LCAP development process, which must: (a) reflect comprehensive strategic planning, particularly to address and reduce disparities in opportunities and outcomes between student groups indicated by the California School Dashboard (Dashboard), (b) through meaningful engagement with educational partners that (c) meets legal requirements, as reflected in the final adopted LCAP. The sections included within the LCAP template do not and cannot reflect the full development process, just as the LCAP template itself is not intended as a tool for engaging educational partners.

If a county superintendent of schools has jurisdiction over a single school district, the county board of education and the governing board of the school district may adopt and file for review and approval a single LCAP consistent with the requirements in *EC* sections 52060, 52062, 52066, 52068, and 52070. The LCAP must clearly articulate to which entity's budget (school district or county superintendent of schools) all budgeted and actual expenditures are aligned.

The revised LCAP template for the 2024–25, 2025–26, and 2026–27 school years reflects statutory changes made through Senate Bill 114 (Committee on Budget and Fiscal Review), Chapter 48, Statutes of 2023.

At its most basic, the adopted LCAP should attempt to distill not just what the LEA is doing for students in transitional kindergarten through grade twelve (TK–12), but also allow educational partners to understand why, and whether those strategies are leading to improved opportunities and outcomes for students. LEAs are strongly encouraged to use language and a level of detail in their adopted LCAPs intended to be meaningful and accessible for the LEA's diverse educational partners and the broader public.

In developing and finalizing the LCAP for adoption, LEAs are encouraged to keep the following overarching frame at the forefront of the strategic planning and educational partner engagement functions:

Given present performance across the state priorities and on indicators in the Dashboard, how is the LEA using its budgetary resources to respond to TK–12 student and community needs, and address any performance gaps, including by meeting its obligation to increase or improve services for foster youth, English learners, and low-income students?

LEAs are encouraged to focus on a set of metrics and actions which, based on research, experience, and input gathered from educational partners, the LEA believes will have the biggest impact on behalf of its TK–12 students.

These instructions address the requirements for each section of the LCAP, but may include information about effective practices when developing the LCAP and completing the LCAP document. Additionally, the beginning of each template section includes information emphasizing the purpose that section serves.

Plan Summary

Purpose

A well-developed Plan Summary section provides a meaningful context for the LCAP. This section provides information about an LEA's community as well as relevant information about student needs and performance. In order to present a meaningful context for the rest of the LCAP, the content of this section should be clearly and meaningfully related to the content included throughout each subsequent section of the LCAP.

Requirements and Instructions

General Information

A description of the LEA, its schools, and its students in grades transitional kindergarten–12, as applicable to the LEA.

Briefly describe the LEA, its schools, and its students in grades TK–12, as applicable to the LEA.

- For example, information about an LEA in terms of geography, enrollment, employment, the number and size of specific schools, recent community challenges, and other such information the LEA may wish to include can enable a reader to more fully understand the LEA's LCAP.
- As part of this response, identify all schools within the LEA receiving Equity Multiplier funding.

Reflections: Annual Performance

A reflection on annual performance based on a review of the California School Dashboard (Dashboard) and local data.

Reflect on the LEA's annual performance on the Dashboard and local data. This may include both successes and challenges identified by the LEA during the development process.

LEAs are encouraged to highlight how they are addressing the identified needs of student groups, and/or schools within the LCAP as part of this response.

As part of this response, the LEA must identify the following, which will remain unchanged during the three-year LCAP cycle:

- Any school within the LEA that received the lowest performance level on one or more state indicators on the 2023 Dashboard;
- Any student group within the LEA that received the lowest performance level on one or more state indicators on the 2023 Dashboard; and/or
- Any student group within a school within the LEA that received the lowest performance level on one or more state indicators on the 2023 Dashboard.

Reflections: Technical Assistance

As applicable, a summary of the work underway as part of technical assistance.

Annually identify the reason(s) the LEA is eligible for or has requested technical assistance consistent with *EC* sections 47607.3, 52071, 52071.5, 52072, or 52072.5, and provide a summary of the work underway as part of receiving technical assistance. The most common form of this technical assistance is frequently referred to as Differentiated Assistance, however this also includes LEAs that have requested technical assistance from their COE.

- If the LEA is not eligible for or receiving technical assistance, the LEA may respond to this prompt as “Not Applicable.”

Comprehensive Support and Improvement

An LEA with a school or schools identified for comprehensive support and improvement (CSI) under the Every Student Succeeds Act must respond to the following prompts:

Schools Identified

A list of the schools in the LEA that are eligible for comprehensive support and improvement.

- Identify the schools within the LEA that have been identified for CSI.

Support for Identified Schools

A description of how the LEA has or will support its eligible schools in developing comprehensive support and improvement plans.

- Describe how the LEA has or will support the identified schools in developing CSI plans that included a school-level needs assessment, evidence-based interventions, and the identification of any resource inequities to be addressed through the implementation of the CSI plan.

Monitoring and Evaluating Effectiveness

A description of how the LEA will monitor and evaluate the plan to support student and school improvement.

- Describe how the LEA will monitor and evaluate the implementation and effectiveness of the CSI plan to support student and school improvement.

Engaging Educational Partners

Purpose

Significant and purposeful engagement of parents, students, educators, and other educational partners, including those representing the student groups identified by LCFF, is critical to the development of the LCAP and the budget process. Consistent with statute, such engagement should support comprehensive strategic planning, particularly to address and reduce disparities in opportunities and outcomes between student groups indicated by the Dashboard, accountability, and improvement across the state priorities and locally identified priorities (*EC* Section 52064[e][1]). Engagement of educational partners is an ongoing, annual process.

This section is designed to reflect how the engagement of educational partners influenced the decisions reflected in the adopted LCAP. The goal is to allow educational partners that participated in the LCAP development process and the broader public to understand how the LEA engaged educational partners and the impact of that engagement. LEAs are encouraged to keep this goal in the forefront when completing this section.

Requirements

School districts and COEs: *EC* sections [52060\(g\) \(California Legislative Information\)](#) and [52066\(g\) \(California Legislative Information\)](#) specify the educational partners that must be consulted when developing the LCAP:

- Teachers,
- Principals,
- Administrators,
- Other school personnel,
- Local bargaining units of the LEA,
- Parents, and
- Students

A school district or COE receiving Equity Multiplier funds must also consult with educational partners at schools generating Equity Multiplier funds in the development of the LCAP, specifically, in the development of the required focus goal for each applicable school.

Before adopting the LCAP, school districts and COEs must share it with the applicable committees, as identified below under Requirements and Instructions. The superintendent is required by statute to respond in writing to the comments received from these committees. School districts and COEs must also consult with the special education local plan area administrator(s) when developing the LCAP.

Charter schools: *EC* Section [47606.5\(d\) \(California Legislative Information\)](#) requires that the following educational partners be consulted with when developing the LCAP:

- Teachers,
- Principals,
- Administrators,
- Other school personnel,
- Parents, and
- Students

A charter school receiving Equity Multiplier funds must also consult with educational partners at the school generating Equity Multiplier funds in the development of the LCAP, specifically, in the development of the required focus goal for the school.

The LCAP should also be shared with, and LEAs should request input from, schoolsite-level advisory groups, as applicable (e.g., schoolsite councils, English Learner Advisory Councils, student advisory groups, etc.), to facilitate alignment between schoolsite and district-level goals. Information and resources that support effective engagement, define student consultation, and provide the requirements for advisory group composition, can be found under Resources on the [CDE's LCAP webpage](#).

Before the governing board/body of an LEA considers the adoption of the LCAP, the LEA must meet the following legal requirements:

- For school districts, see [Education Code Section 52062 \(California Legislative Information\)](#);
 - **Note:** Charter schools using the LCAP as the School Plan for Student Achievement must meet the requirements of *EC* Section 52062(a).

- For COEs, see [Education Code Section 52068 \(California Legislative Information\)](#); and
- For charter schools, see [Education Code Section 47606.5 \(California Legislative Information\)](#).
- **NOTE:** As a reminder, the superintendent of a school district or COE must respond, in writing, to comments received by the applicable committees identified in the *Education Code* sections listed above. This includes the parent advisory committee and may include the English learner parent advisory committee and, as of July 1, 2024, the student advisory committee, as applicable.

Instructions

Respond to the prompts as follows:

A summary of the process used to engage educational partners in the development of the LCAP.

School districts and county offices of education must, at a minimum, consult with teachers, principals, administrators, other school personnel, local bargaining units, parents, and students in the development of the LCAP.

Charter schools must, at a minimum, consult with teachers, principals, administrators, other school personnel, parents, and students in the development of the LCAP.

An LEA receiving Equity Multiplier funds must also consult with educational partners at schools generating Equity Multiplier funds in the development of the LCAP, specifically, in the development of the required focus goal for each applicable school.

Complete the table as follows:

Educational Partners

Identify the applicable educational partner(s) or group(s) that were engaged in the development of the LCAP.

Process for Engagement

Describe the engagement process used by the LEA to involve the identified educational partner(s) in the development of the LCAP. At a minimum, the LEA must describe how it met its obligation to consult with all statutorily required educational partners, as applicable to the type of LEA.

- A sufficient response to this prompt must include general information about the timeline of the process and meetings or other engagement strategies with educational partners. A response may also include information about an LEA's philosophical approach to engaging its educational partners.
- An LEA receiving Equity Multiplier funds must also include a summary of how it consulted with educational partners at schools generating Equity Multiplier funds in the development of the LCAP, specifically, in the development of the required focus goal for each applicable school.

A description of how the adopted LCAP was influenced by the feedback provided by educational partners.

Describe any goals, metrics, actions, or budgeted expenditures in the LCAP that were influenced by or developed in response to the educational partner feedback.

- A sufficient response to this prompt will provide educational partners and the public with clear, specific information about how the engagement process influenced the development of the LCAP. This may include a description of how the LEA prioritized requests of educational partners within the context of the budgetary resources available or otherwise prioritized areas of focus within the LCAP.
- An LEA receiving Equity Multiplier funds must include a description of how the consultation with educational partners at schools generating Equity Multiplier funds influenced the development of the adopted LCAP.
- For the purposes of this prompt, this may also include, but is not necessarily limited to:
 - Inclusion of a goal or decision to pursue a Focus Goal (as described below)
 - Inclusion of metrics other than the statutorily required metrics
 - Determination of the target outcome on one or more metrics
 - Inclusion of performance by one or more student groups in the Measuring and Reporting Results subsection
 - Inclusion of action(s) or a group of actions
 - Elimination of action(s) or group of actions
 - Changes to the level of proposed expenditures for one or more actions
 - Inclusion of action(s) as contributing to increased or improved services for unduplicated students
 - Analysis of effectiveness of the specific actions to achieve the goal
 - Analysis of material differences in expenditures
 - Analysis of changes made to a goal for the ensuing LCAP year based on the annual update process
 - Analysis of challenges or successes in the implementation of actions

Goals and Actions

Purpose

Well-developed goals will clearly communicate to educational partners what the LEA plans to accomplish, what the LEA plans to do in order to accomplish the goal, and how the LEA will know when it has accomplished the goal. A goal statement, associated metrics and expected outcomes, and the actions included in the goal must be in alignment. The explanation for why the LEA included a goal is an opportunity for LEAs to clearly communicate to educational partners and the public why, among the various strengths and areas for improvement highlighted by performance data and strategies and actions that could be pursued, the LEA decided to pursue this goal, and the related metrics, expected outcomes, actions, and expenditures.

A well-developed goal can be focused on the performance relative to a metric or metrics for all students, a specific student group(s), narrowing performance gaps, or implementing programs or strategies expected to impact outcomes. LEAs should assess the performance of their student groups when developing goals and the related actions to achieve such goals.

Requirements and Instructions

LEAs should prioritize the goals, specific actions, and related expenditures included within the LCAP within one or more state priorities. LEAs must consider performance on the state and local indicators, including their locally collected and reported data for the local indicators that are included in the Dashboard, in determining whether and how to prioritize its goals within the LCAP. As previously stated, strategic planning that

is comprehensive connects budgetary decisions to teaching and learning performance data. LEAs should continually evaluate the hard choices they make about the use of limited resources to meet student and community needs to ensure opportunities and outcomes are improved for all students, and to address and reduce disparities in opportunities and outcomes between student groups indicated by the Dashboard.

In order to support prioritization of goals, the LCAP template provides LEAs with the option of developing three different kinds of goals:

- Focus Goal: A Focus Goal is relatively more concentrated in scope and may focus on a fewer number of metrics to measure improvement. A Focus Goal statement will be time bound and make clear how the goal is to be measured.
 - All Equity Multiplier goals must be developed as focus goals. For additional information, see Required Focus Goal(s) for LEAs Receiving Equity Multiplier Funding below.
- Broad Goal: A Broad Goal is relatively less concentrated in its scope and may focus on improving performance across a wide range of metrics.
- Maintenance of Progress Goal: A Maintenance of Progress Goal includes actions that may be ongoing without significant changes and allows an LEA to track performance on any metrics not addressed in the other goals of the LCAP.

Requirement to Address the LCFF State Priorities

At a minimum, the LCAP must address all LCFF priorities and associated metrics articulated in *EC* sections 52060(d) and 52066(d), as applicable to the LEA. The [LCFF State Priorities Summary](#) provides a summary of *EC* sections 52060(d) and 52066(d) to aid in the development of the LCAP.

Respond to the following prompts, as applicable:

Focus Goal(s)

Description

The description provided for a Focus Goal must be specific, measurable, and time bound.

- An LEA develops a Focus Goal to address areas of need that may require or benefit from a more specific and data intensive approach.
- The Focus Goal can explicitly reference the metric(s) by which achievement of the goal will be measured and the time frame according to which the LEA expects to achieve the goal.

Type of Goal

Identify the type of goal being implemented as a Focus Goal.

State Priorities addressed by this goal.

Identify each of the state priorities that this goal is intended to address.

An explanation of why the LEA has developed this goal.

Explain why the LEA has chosen to prioritize this goal.

- An explanation must be based on Dashboard data or other locally collected data.
- LEAs must describe how the LEA identified this goal for focused attention, including relevant consultation with educational partners.
- LEAs are encouraged to promote transparency and understanding around the decision to pursue a focus goal.

Required Focus Goal(s) for LEAs Receiving Equity Multiplier Funding

Description

LEAs receiving Equity Multiplier funding must include one or more focus goals for each school generating Equity Multiplier funding. In addition to addressing the focus goal requirements described above, LEAs must adhere to the following requirements.

Focus goals for Equity Multiplier schoolsites must address the following:

- (A) All student groups that have the lowest performance level on one or more state indicators on the Dashboard, and
- (B) Any underlying issues in the credentialing, subject matter preparation, and retention of the school’s educators, if applicable.
- Focus Goals for each and every Equity Multiplier schoolsite must identify specific metrics for each identified student group, as applicable.
- An LEA may create a single goal for multiple Equity Multiplier schoolsites if those schoolsites have the same student group(s) performing at the lowest performance level on one or more state indicators on the Dashboard or, experience similar issues in the credentialing, subject matter preparation, and retention of the school’s educators.
 - When creating a single goal for multiple Equity Multiplier schoolsites, the goal must identify the student groups and the performance levels on the Dashboard that the Focus Goal is addressing; or,
 - The common issues the schoolsites are experiencing in credentialing, subject matter preparation, and retention of the school’s educators, if applicable.

Type of Goal

Identify the type of goal being implemented as an Equity Multiplier Focus Goal.

State Priorities addressed by this goal.

Identify each of the state priorities that this goal is intended to address.

An explanation of why the LEA has developed this goal.

Explain why the LEA has chosen to prioritize this goal.

- An explanation must be based on Dashboard data or other locally collected data.
- LEAs must describe how the LEA identified this goal for focused attention, including relevant consultation with educational partners.
- LEAs are encouraged to promote transparency and understanding around the decision to pursue a focus goal.
- In addition to this information, the LEA must also identify:
 - The school or schools to which the goal applies

LEAs are encouraged to approach an Equity Multiplier goal from a wholistic standpoint, considering how the goal might maximize student outcomes through the use of LCFF and other funding in addition to Equity Multiplier funds.

- Equity Multiplier funds must be used to supplement, not supplant, funding provided to Equity Multiplier schoolsites for purposes of the LCFF, the Expanded Learning Opportunities Program (ELO-P), the Literacy Coaches and Reading Specialists (LCRS) Grant Program, and/or the California Community Schools Partnership Program (CCSPP).
- This means that Equity Multiplier funds must not be used to replace funding that an Equity Multiplier schoolsite would otherwise receive to implement LEA-wide actions identified in the LCAP or that an Equity Multiplier schoolsite would otherwise receive to implement provisions of the ELO-P, the LCRS, and/or the CCSPP.

Note: EC Section [42238.024\(b\)\(1\) \(California Legislative Information\)](#) requires that Equity Multiplier funds be used for the provision of evidence-based services and supports for students. Evidence-based services and supports are based on objective evidence that has informed the design of the service or support and/or guides the modification of those services and supports. Evidence-based supports and strategies are most commonly based on educational research and/or metrics of LEA, school, and/or student performance.

Broad Goal

Description

Describe what the LEA plans to achieve through the actions included in the goal.

- The description of a broad goal will be clearly aligned with the expected measurable outcomes included for the goal.
- The goal description organizes the actions and expected outcomes in a cohesive and consistent manner.
- A goal description is specific enough to be measurable in either quantitative or qualitative terms. A broad goal is not as specific as a focus goal. While it is specific enough to be measurable, there are many different metrics for measuring progress toward the goal.

Type of Goal

Identify the type of goal being implemented as a Broad Goal.

State Priorities addressed by this goal.

Identify each of the state priorities that this goal is intended to address.

An explanation of why the LEA has developed this goal.

Explain why the LEA developed this goal and how the actions and metrics grouped together will help achieve the goal.

Maintenance of Progress Goal

Description

Describe how the LEA intends to maintain the progress made in the LCFF State Priorities not addressed by the other goals in the LCAP.

- Use this type of goal to address the state priorities and applicable metrics not addressed within the other goals in the LCAP.
- The state priorities and metrics to be addressed in this section are those for which the LEA, in consultation with educational partners, has determined to maintain actions and monitor progress while focusing implementation efforts on the actions covered by other goals in the LCAP.

Type of Goal

Identify the type of goal being implemented as a Maintenance of Progress Goal.

State Priorities addressed by this goal.

Identify each of the state priorities that this goal is intended to address.

An explanation of why the LEA has developed this goal.

Explain how the actions will sustain the progress exemplified by the related metrics.

Measuring and Reporting Results:

For each LCAP year, identify the metric(s) that the LEA will use to track progress toward the expected outcomes.

- LEAs must identify metrics for specific student groups, as appropriate, including expected outcomes that address and reduce disparities in outcomes between student groups.
- The metrics may be quantitative or qualitative; but at minimum, an LEA’s LCAP must include goals that are measured using all of the applicable metrics for the related state priorities, in each LCAP year, as applicable to the type of LEA.
- To the extent a state priority does not specify one or more metrics (e.g., implementation of state academic content and performance standards), the LEA must identify a metric to use within the LCAP. For these state priorities, LEAs are encouraged to use metrics based on or reported through the relevant local indicator self-reflection tools within the Dashboard.

- **Required metrics for LEA-wide actions:** For each action identified as 1) contributing towards the requirement to increase or improve services for foster youth, English learners, including long-term English learners, and low-income students and 2) being provided on an LEA-wide basis, the LEA must identify one or more metrics to monitor the effectiveness of the action and its budgeted expenditures.
 - These required metrics may be identified within the action description or the first prompt in the increased or improved services section, however the description must clearly identify the metric(s) being used to monitor the effectiveness of the action and the action(s) that the metric(s) apply to.
- **Required metrics for Equity Multiplier goals:** For each Equity Multiplier goal, the LEA must identify:
 - The specific metrics for each identified student group at each specific schoolsite, as applicable, to measure the progress toward the goal, and/or
 - The specific metrics used to measure progress in meeting the goal related to credentialing, subject matter preparation, or educator retention at each specific schoolsite.

Complete the table as follows:

Metric

- Enter the metric number.

Metric

- Identify the standard of measure being used to determine progress towards the goal and/or to measure the effectiveness of one or more actions associated with the goal.

Baseline

- Enter the baseline when completing the LCAP for 2024–25.
 - Use the most recent data associated with the metric available at the time of adoption of the LCAP for the first year of the three-year plan. LEAs may use data as reported on the 2023 Dashboard for the baseline of a metric only if that data represents the most recent available data (e.g., high school graduation rate).
 - Using the most recent data available may involve reviewing data the LEA is preparing for submission to the California Longitudinal Pupil Achievement Data System (CALPADS) or data that the LEA has recently submitted to CALPADS.
 - Indicate the school year to which the baseline data applies.
 - The baseline data must remain unchanged throughout the three-year LCAP.
 - This requirement is not intended to prevent LEAs from revising the baseline data if it is necessary to do so. For example, if an LEA identifies that its data collection practices for a particular metric are leading to inaccurate data and revises its practice to obtain

accurate data, it would also be appropriate for the LEA to revise the baseline data to align with the more accurate data process and report its results using the accurate data.

- If an LEA chooses to revise its baseline data, then, at a minimum, it must clearly identify the change as part of its response to the description of changes prompt in the Goal Analysis for the goal. LEAs are also strongly encouraged to involve their educational partners in the decision of whether or not to revise a baseline and to communicate the proposed change to their educational partners.
- Note for Charter Schools: Charter schools developing a one- or two-year LCAP may identify a new baseline each year, as applicable.

Year 1 Outcome

- When completing the LCAP for 2025–26, enter the most recent data available. Indicate the school year to which the data applies.
 - Note for Charter Schools: Charter schools developing a one-year LCAP may provide the Year 1 Outcome when completing the LCAP for both 2025–26 and 2026–27 or may provide the Year 1 Outcome for 2025–26 and provide the Year 2 Outcome for 2026–27.

Year 2 Outcome

- When completing the LCAP for 2026–27, enter the most recent data available. Indicate the school year to which the data applies.
 - Note for Charter Schools: Charter schools developing a one-year LCAP may identify the Year 2 Outcome as not applicable when completing the LCAP for 2026–27 or may provide the Year 2 Outcome for 2026–27.

Target for Year 3 Outcome

- When completing the first year of the LCAP, enter the target outcome for the relevant metric the LEA expects to achieve by the end of the three-year LCAP cycle.
 - Note for Charter Schools: Charter schools developing a one- or two-year LCAP may identify a Target for Year 1 or Target for Year 2, as applicable.

Current Difference from Baseline

- When completing the LCAP for 2025–26 and 2026–27, enter the current difference between the baseline and the yearly outcome, as applicable.
 - Note for Charter Schools: Charter schools developing a one- or two-year LCAP will identify the current difference between the baseline and the yearly outcome for Year 1 and/or the current difference between the baseline and the yearly outcome for Year 2, as applicable.

Timeline for school districts and COEs for completing the “**Measuring and Reporting Results**” part of the Goal.

Metric	Baseline	Year 1 Outcome	Year 2 Outcome	Target for Year 3 Outcome	Current Difference from Baseline
Enter information in this box when completing the LCAP for 2024–25 or when adding a new metric.	Enter information in this box when completing the LCAP for 2024–25 or when adding a new metric.	Enter information in this box when completing the LCAP for 2025–26 . Leave blank until then.	Enter information in this box when completing the LCAP for 2026–27 . Leave blank until then.	Enter information in this box when completing the LCAP for 2024–25 or when adding a new metric.	Enter information in this box when completing the LCAP for 2025–26 and 2026–27 . Leave blank until then.

Goal Analysis:

Enter the LCAP Year.

Using actual annual measurable outcome data, including data from the Dashboard, analyze whether the planned actions were effective towards achieving the goal. “Effective” means the degree to which the planned actions were successful in producing the target result. Respond to the prompts as instructed.

Note: When completing the 2024–25 LCAP, use the 2023–24 Local Control and Accountability Plan Annual Update template to complete the Goal Analysis and identify the Goal Analysis prompts in the 2024–25 LCAP as “Not Applicable.”

A description of overall implementation, including any substantive differences in planned actions and actual implementation of these actions, and any relevant challenges and successes experienced with implementation.

- Describe the overall implementation of the actions to achieve the articulated goal, including relevant challenges and successes experienced with implementation.
 - Include a discussion of relevant challenges and successes experienced with the implementation process.
 - This discussion must include any instance where the LEA did not implement a planned action or implemented a planned action in a manner that differs substantively from how it was described in the adopted LCAP.

An explanation of material differences between Budgeted Expenditures and Estimated Actual Expenditures and/or Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services.

- Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures and between the Planned Percentages of Improved Services and Estimated Actual Percentages of Improved Services, as applicable. Minor variances in expenditures or percentages do not need to be addressed, and a dollar-for-dollar accounting is not required.

A description of the effectiveness or ineffectiveness of the specific actions to date in making progress toward the goal.

- Describe the effectiveness or ineffectiveness of the specific actions to date in making progress toward the goal. “Effectiveness” means the degree to which the actions were successful in producing the target result and “ineffectiveness” means that the actions did not produce any significant or targeted result.
 - In some cases, not all actions in a goal will be intended to improve performance on all of the metrics associated with the goal.
 - When responding to this prompt, LEAs may assess the effectiveness of a single action or group of actions within the goal in the context of performance on a single metric or group of specific metrics within the goal that are applicable to the action(s). Grouping actions with metrics will allow for more robust analysis of whether the strategy the LEA is using to impact a specified set of metrics is working and increase transparency for educational partners. LEAs are encouraged to use such an approach when goals include multiple actions and metrics that are not closely associated.
 - Beginning with the development of the 2024–25 LCAP, the LEA must change actions that have not proven effective over a three-year period.

A description of any changes made to the planned goal, metrics, target outcomes, or actions for the coming year that resulted from reflections on prior practice.

- Describe any changes made to this goal, expected outcomes, metrics, or actions to achieve this goal as a result of this analysis and analysis of the data provided in the Dashboard or other local data, as applicable.
 - As noted above, beginning with the development of the 2024–25 LCAP, the LEA must change actions that have not proven effective over a three-year period. For actions that have been identified as ineffective, the LEA must identify the ineffective action and must include a description of the following:
 - The reasons for the ineffectiveness, and
 - How changes to the action will result in a new or strengthened approach.

Actions:
Complete the table as follows. Add additional rows as necessary.

Action #

- Enter the action number.

Title

- Provide a short title for the action. This title will also appear in the action tables.

Description

- Provide a brief description of the action.

- For actions that contribute to meeting the increased or improved services requirement, the LEA may include an explanation of how each action is principally directed towards and effective in meeting the LEA's goals for unduplicated students, as described in the instructions for the Increased or Improved Services for Foster Youth, English Learners, and Low-Income Students section.
- As previously noted, for each action identified as 1) contributing towards the requirement to increase or improve services for foster youth, English learners, including long-term English learners, and low-income students and 2) being provided on an LEA-wide basis, the LEA must identify one or more metrics to monitor the effectiveness of the action and its budgeted expenditures.
- These required metrics may be identified within the action description or the first prompt in the increased or improved services section; however, the description must clearly identify the metric(s) being used to monitor the effectiveness of the action and the action(s) that the metric(s) apply to.

Total Funds

- Enter the total amount of expenditures associated with this action. Budgeted expenditures from specific fund sources will be provided in the action tables.

Contributing

- Indicate whether the action contributes to meeting the increased or improved services requirement as described in the Increased or Improved Services section using a “Y” for Yes or an “N” for No.
 - **Note:** for each such contributing action, the LEA will need to provide additional information in the Increased or Improved Services section to address the requirements in *California Code of Regulations*, Title 5 [5 CCR] Section 15496 in the Increased or Improved Services section of the LCAP.

Actions for Foster Youth: School districts, COEs, and charter schools that have a numerically significant foster youth student subgroup are encouraged to include specific actions in the LCAP designed to meet needs specific to foster youth students.

Required Actions

- LEAs with 30 or more English learners and/or 15 or more long-term English learners must include specific actions in the LCAP related to, at a minimum:
 - Language acquisition programs, as defined in *EC* Section 306, provided to students, and
 - Professional development for teachers.
 - If an LEA has both 30 or more English learners and 15 or more long-term English learners, the LEA must include actions for both English learners and long-term English learners.
- LEAs eligible for technical assistance pursuant to *EC* sections 47607.3, 52071, 52071.5, 52072, or 52072.5, must include specific actions within the LCAP related to its implementation of the work underway as part of technical assistance. The most common form of this technical assistance is frequently referred to as Differentiated Assistance.

- LEAs that have Red Dashboard indicators for (1) a school within the LEA, (2) a student group within the LEA, and/or (3) a student group within any school within the LEA must include one or more specific actions within the LCAP:
 - The specific action(s) must be directed towards the identified student group(s) and/or school(s) and must address the identified state indicator(s) for which the student group or school received the lowest performance level on the 2023 Dashboard. Each student group and/or school that receives the lowest performance level on the 2023 Dashboard must be addressed by one or more actions.
 - These required actions will be effective for the three-year LCAP cycle.

Increased or Improved Services for Foster Youth, English Learners, and Low-Income Students

Purpose

A well-written Increased or Improved Services section provides educational partners with a comprehensive description, within a single dedicated section, of how an LEA plans to increase or improve services for its unduplicated students as defined in *EC* Section 42238.02 in grades TK–12 as compared to all students in grades TK–12, as applicable, and how LEA-wide or schoolwide actions identified for this purpose meet regulatory requirements. Descriptions provided should include sufficient detail yet be sufficiently succinct to promote a broader understanding of educational partners to facilitate their ability to provide input. An LEA’s description in this section must align with the actions included in the Goals and Actions section as contributing.

Please Note: For the purpose of meeting the Increased or Improved Services requirement and consistent with *EC* Section 42238.02, long-term English learners are included in the English learner student group.

Statutory Requirements

An LEA is required to demonstrate in its LCAP how it is increasing or improving services for its students who are foster youth, English learners, and/or low-income, collectively referred to as unduplicated students, as compared to the services provided to all students in proportion to the increase in funding it receives based on the number and concentration of unduplicated students in the LEA (*EC* Section 42238.07[a][1], *EC* Section 52064[b][8][B]; 5 *CCR* Section 15496[a]). This proportionality percentage is also known as the “minimum proportionality percentage” or “MPP.” The manner in which an LEA demonstrates it is meeting its MPP is two-fold: (1) through the expenditure of LCFF funds or through the identification of a Planned Percentage of Improved Services as documented in the Contributing Actions Table, and (2) through the explanations provided in the Increased or Improved Services for Foster Youth, English Learners, and Low-Income Students section.

To improve services means to grow services in quality and to increase services means to grow services in quantity. Services are increased or improved by those actions in the LCAP that are identified in the Goals and Actions section as contributing to the increased or improved services requirement, whether they are provided across the entire LEA (LEA-wide action), provided to an entire school (Schoolwide action), or solely provided to one or more unduplicated student group(s) (Limited action).

Therefore, for *any* action contributing to meet the increased or improved services requirement, the LEA must include an explanation of:

- How the action is increasing or improving services for the unduplicated student group(s) (Identified Needs and Action Design), and
- How the action meets the LEA's goals for its unduplicated pupils in the state and any local priority areas (Measurement of Effectiveness).

LEA-wide and Schoolwide Actions

In addition to the above required explanations, LEAs must provide a justification for why an LEA-wide or Schoolwide action is being provided to all students and how the action is intended to improve outcomes for unduplicated student group(s) as compared to all students.

- Conclusory statements that a service will help achieve an expected outcome for the goal, without an explicit connection or further explanation as to how, are not sufficient.
- Further, simply stating that an LEA has a high enrollment percentage of a specific student group or groups does not meet the increased or improved services standard because enrolling students is not the same as serving students.

For School Districts Only

Actions provided on an **LEA-wide** basis at **school districts with an unduplicated pupil percentage of less than 55 percent** must also include a description of how the actions are the most effective use of the funds to meet the district's goals for its unduplicated pupils in the state and any local priority areas. The description must provide the basis for this determination, including any alternatives considered, supporting research, experience, or educational theory.

Actions provided on a **Schoolwide** basis for **schools with less than 40 percent enrollment of unduplicated pupils** must also include a description of how these actions are the most effective use of the funds to meet the district's goals for its unduplicated pupils in the state and any local priority areas. The description must provide the basis for this determination, including any alternatives considered, supporting research, experience, or educational theory.

Requirements and Instructions

Complete the tables as follows:

Total Projected LCFF Supplemental and/or Concentration Grants

- Specify the amount of LCFF supplemental and concentration grant funds the LEA estimates it will receive in the coming year based on the number and concentration of foster youth, English learner, and low-income students. This amount includes the Additional 15 percent LCFF Concentration Grant.

Projected Additional 15 percent LCFF Concentration Grant

- Specify the amount of additional LCFF concentration grant add-on funding, as described in *EC* Section 42238.02, that the LEA estimates it will receive in the coming year.

Projected Percentage to Increase or Improve Services for the Coming School Year

- Specify the estimated percentage by which services for unduplicated pupils must be increased or improved as compared to the services provided to all students in the LCAP year as calculated pursuant to 5 *CCR* Section 15496(a)(7).

LCFF Carryover — Percentage

- Specify the LCFF Carryover — Percentage identified in the LCFF Carryover Table. If a carryover percentage is not identified in the LCFF Carryover Table, specify a percentage of zero (0.00%).

LCFF Carryover — Dollar

- Specify the LCFF Carryover — Dollar amount identified in the LCFF Carryover Table. If a carryover amount is not identified in the LCFF Carryover Table, specify an amount of zero (\$0).

Total Percentage to Increase or Improve Services for the Coming School Year

- Add the Projected Percentage to Increase or Improve Services for the Coming School Year and the Proportional LCFF Required Carryover Percentage and specify the percentage. This is the LEA's percentage by which services for unduplicated pupils must be increased or improved as compared to the services provided to all students in the LCAP year, as calculated pursuant to 5 CCR Section 15496(a)(7).

Required Descriptions:

LEA-wide and Schoolwide Actions

For each action being provided to an entire LEA or school, provide an explanation of (1) the unique identified need(s) of the unduplicated student group(s) for whom the action is principally directed, (2) how the action is designed to address the identified need(s) and why it is being provided on an LEA or schoolwide basis, and (3) the metric(s) used to measure the effectiveness of the action in improving outcomes for the unduplicated student group(s).

If the LEA has provided this required description in the Action Descriptions, state as such within the table.

Complete the table as follows:

Identified Need(s)

Provide an explanation of the unique identified need(s) of the LEA's unduplicated student group(s) for whom the action is principally directed.

An LEA demonstrates how an action is principally directed towards an unduplicated student group(s) when the LEA explains the need(s), condition(s), or circumstance(s) of the unduplicated student group(s) identified through a needs assessment and how the action addresses them. A meaningful needs assessment includes, at a minimum, analysis of applicable student achievement data and educational partner feedback.

How the Action(s) are Designed to Address Need(s) and Why it is Provided on an LEA-wide or Schoolwide Basis

Provide an explanation of how the action as designed will address the unique identified need(s) of the LEA's unduplicated student group(s) for whom the action is principally directed and the rationale for why the action is being provided on an LEA-wide or schoolwide basis.

- As stated above, conclusory statements that a service will help achieve an expected outcome for the goal, without an explicit connection or further explanation as to how, are not sufficient.

- Further, simply stating that an LEA has a high enrollment percentage of a specific student group or groups does not meet the increased or improved services standard because enrolling students is not the same as serving students.

Metric(s) to Monitor Effectiveness

Identify the metric(s) being used to measure the progress and effectiveness of the action(s).

Note for COEs and Charter Schools: In the case of COEs and charter schools, schoolwide and LEA-wide are considered to be synonymous.

Limited Actions

For each action being solely provided to one or more unduplicated student group(s), provide an explanation of (1) the unique identified need(s) of the unduplicated student group(s) being served, (2) how the action is designed to address the identified need(s), and (3) how the effectiveness of the action in improving outcomes for the unduplicated student group(s) will be measured.

If the LEA has provided the required descriptions in the Action Descriptions, state as such.

Complete the table as follows:

Identified Need(s)

Provide an explanation of the unique need(s) of the unduplicated student group(s) being served identified through the LEA's needs assessment. A meaningful needs assessment includes, at a minimum, analysis of applicable student achievement data and educational partner feedback.

How the Action(s) are Designed to Address Need(s)

Provide an explanation of how the action is designed to address the unique identified need(s) of the unduplicated student group(s) being served.

Metric(s) to Monitor Effectiveness

Identify the metric(s) being used to measure the progress and effectiveness of the action(s).

For any limited action contributing to meeting the increased or improved services requirement that is associated with a Planned Percentage of Improved Services in the Contributing Summary Table rather than an expenditure of LCFF funds, describe the methodology that was used to determine the contribution of the action towards the proportional percentage, as applicable.

- For each action with an identified Planned Percentage of Improved Services, identify the goal and action number and describe the methodology that was used.
- When identifying a Planned Percentage of Improved Services, the LEA must describe the methodology that it used to determine the contribution of the action towards the proportional percentage. The percentage of improved services for an action corresponds to the amount of LCFF funding that the LEA estimates it would expend to implement the action if it were funded.

- For example, an LEA determines that there is a need to analyze data to ensure that instructional aides and expanded learning providers know what targeted supports to provide to students who are foster youth. The LEA could implement this action by hiring additional staff to collect and analyze data and to coordinate supports for students, which, based on the LEA's current pay scale, the LEA estimates would cost \$165,000. Instead, the LEA chooses to utilize a portion of existing staff time to analyze data relating to students who are foster youth. This analysis will then be shared with site principals who will use the data to coordinate services provided by instructional assistants and expanded learning providers to target support to students. In this example, the LEA would divide the estimated cost of \$165,000 by the amount of LCFF Funding identified in the Total Planned Expenditures Table and then convert the quotient to a percentage. This percentage is the Planned Percentage of Improved Services for the action.

Additional Concentration Grant Funding

A description of the plan for how the additional concentration grant add-on funding identified above will be used to increase the number of staff providing direct services to students at schools that have a high concentration (above 55 percent) of foster youth, English learners, and low-income students, as applicable.

An LEA that receives the additional concentration grant add-on described in *EC* Section 42238.02 is required to demonstrate how it is using these funds to increase the number of staff who provide direct services to students at schools with an enrollment of unduplicated students that is greater than 55 percent as compared to the number of staff who provide direct services to students at schools with an enrollment of unduplicated students that is equal to or less than 55 percent. The staff who provide direct services to students must be certificated staff and/or classified staff employed by the LEA; classified staff includes custodial staff.

Provide the following descriptions, as applicable to the LEA:

- An LEA that does not receive a concentration grant or the concentration grant add-on must indicate that a response to this prompt is not applicable.
- Identify the goal and action numbers of the actions in the LCAP that the LEA is implementing to meet the requirement to increase the number of staff who provide direct services to students at schools with an enrollment of unduplicated students that is greater than 55 percent.
- An LEA that does not have comparison schools from which to describe how it is using the concentration grant add-on funds, such as a single-school LEA or an LEA that only has schools with an enrollment of unduplicated students that is greater than 55 percent, must describe how it is using the funds to increase the number of credentialed staff, classified staff, or both, including custodial staff, who provide direct services to students at selected schools and the criteria used to determine which schools require additional staffing support.
- In the event that an additional concentration grant add-on is not sufficient to increase staff providing direct services to students at a school with an enrollment of unduplicated students that is greater than 55 percent, the LEA must describe how it is using the funds to retain staff providing direct services to students at a school with an enrollment of unduplicated students that is greater than 55 percent.

Complete the table as follows:

- Provide the staff-to-student ratio of classified staff providing direct services to students with a concentration of unduplicated students that is 55 percent or less and the staff-to-student ratio of classified staff providing direct services to students at schools with a concentration of unduplicated students that is greater than 55 percent, as applicable to the LEA.
 - The LEA may group its schools by grade span (Elementary, Middle/Junior High, and High Schools), as applicable to the LEA.

- The staff-to-student ratio must be based on the number of full-time equivalent (FTE) staff and the number of enrolled students as counted on the first Wednesday in October of each year.
- Provide the staff-to-student ratio of certificated staff providing direct services to students at schools with a concentration of unduplicated students that is 55 percent or less and the staff-to-student ratio of certificated staff providing direct services to students at schools with a concentration of unduplicated students that is greater than 55 percent, as applicable to the LEA.
 - The LEA may group its schools by grade span (Elementary, Middle/Junior High, and High Schools), as applicable to the LEA.
 - The staff-to-student ratio must be based on the number of FTE staff and the number of enrolled students as counted on the first Wednesday in October of each year.

Action Tables

Complete the Total Planned Expenditures Table for each action in the LCAP. The information entered into this table will automatically populate the other Action Tables. Information is only entered into the Total Planned Expenditures Table, the Annual Update Table, the Contributing Actions Annual Update Table, and the LCFF Carryover Table. The word “input” has been added to column headers to aid in identifying the column(s) where information will be entered. Information is not entered on the remaining Action tables.

The following tables are required to be included as part of the LCAP adopted by the local governing board or governing body:

- Table 1: Total Planned Expenditures Table (for the coming LCAP Year)
- Table 2: Contributing Actions Table (for the coming LCAP Year)
- Table 3: Annual Update Table (for the current LCAP Year)
- Table 4: Contributing Actions Annual Update Table (for the current LCAP Year)
- Table 5: LCFF Carryover Table (for the current LCAP Year)

Note: The coming LCAP Year is the year that is being planned for, while the current LCAP year is the current year of implementation. For example, when developing the 2024–25 LCAP, 2024–25 will be the coming LCAP Year and 2023–24 will be the current LCAP Year.

Total Planned Expenditures Table

In the Total Planned Expenditures Table, input the following information for each action in the LCAP for that applicable LCAP year:

- **LCAP Year:** Identify the applicable LCAP Year.
- **1. Projected LCFF Base Grant:** Provide the total amount estimated LCFF entitlement for the coming school year, excluding the supplemental and concentration grants and the add-ons for the Targeted Instructional Improvement Block Grant program, the former Home-to-School Transportation program, and the Small School District Transportation program, pursuant to 5 CCR Section 15496(a)(8).

Note that the LCFF Base Grant for purposes of the LCAP also includes the Necessary Small Schools and Economic Recovery Target allowances for school districts, and County Operations Grant for COEs.

See *EC* sections 2574 (for COEs) and 42238.02 (for school districts and charter schools), as applicable, for LCFF entitlement calculations.

- **2. Projected LCFF Supplemental and/or Concentration Grants:** Provide the total amount of LCFF supplemental and concentration grants estimated on the basis of the number and concentration of unduplicated students for the coming school year.
- **3. Projected Percentage to Increase or Improve Services for the Coming School Year:** This percentage will not be entered; it is calculated based on the Projected LCFF Base Grant and the Projected LCFF Supplemental and/or Concentration Grants, pursuant to 5 CCR Section 15496(a)(8). This is the percentage by which services for unduplicated pupils must be increased or improved as compared to the services provided to all students in the coming LCAP year.
- **LCFF Carryover — Percentage:** Specify the LCFF Carryover — Percentage identified in the LCFF Carryover Table from the prior LCAP year. If a carryover percentage is not identified in the LCFF Carryover Table, specify a percentage of zero (0.00%).
- **Total Percentage to Increase or Improve Services for the Coming School Year:** This percentage will not be entered; it is calculated based on the Projected Percentage to Increase or Improve Services for the Coming School Year and the LCFF Carryover — Percentage. ***This is the percentage by which the LEA must increase or improve services for unduplicated pupils as compared to the services provided to all students in the coming LCAP year.***
- **Goal #:** Enter the LCAP Goal number for the action.
- **Action #:** Enter the action's number as indicated in the LCAP Goal.
- **Action Title:** Provide a title of the action.
- **Student Group(s):** Indicate the student group or groups who will be the primary beneficiary of the action by entering "All," or by entering a specific student group or groups.
- **Contributing to Increased or Improved Services?:** Type "Yes" if the action **is** included as contributing to meeting the increased or improved services requirement; OR, type "No" if the action is **not** included as contributing to meeting the increased or improved services requirement.
- If "Yes" is entered into the Contributing column, then complete the following columns:
 - **Scope:** The scope of an action may be LEA-wide (i.e., districtwide, countywide, or charterwide), schoolwide, or limited. An action that is LEA-wide in scope upgrades the entire educational program of the LEA. An action that is schoolwide in scope upgrades the entire educational program of a single school. An action that is limited in its scope is an action that serves only one or more unduplicated student groups.

- **Unduplicated Student Group(s):** Regardless of scope, contributing actions serve one or more unduplicated student groups. Indicate one or more unduplicated student groups for whom services are being increased or improved as compared to what all students receive.
- **Location:** Identify the location where the action will be provided. If the action is provided to all schools within the LEA, the LEA must indicate “All Schools.” If the action is provided to specific schools within the LEA or specific grade spans only, the LEA must enter “Specific Schools” or “Specific Grade Spans.” Identify the individual school or a subset of schools or grade spans (e.g., all high schools or grades transitional kindergarten through grade five), as appropriate.
- **Time Span:** Enter “ongoing” if the action will be implemented for an indeterminate period of time. Otherwise, indicate the span of time for which the action will be implemented. For example, an LEA might enter “1 Year,” or “2 Years,” or “6 Months.”
- **Total Personnel:** Enter the total amount of personnel expenditures utilized to implement this action.
- **Total Non-Personnel:** This amount will be automatically calculated based on information provided in the Total Personnel column and the Total Funds column.
- **LCFF Funds:** Enter the total amount of LCFF funds utilized to implement this action, if any. LCFF funds include all funds that make up an LEA’s total LCFF target (i.e., base grant, grade span adjustment, supplemental grant, concentration grant, Targeted Instructional Improvement Block Grant, and Home-To-School Transportation).
 - **Note:** For an action to contribute towards meeting the increased or improved services requirement, it must include some measure of LCFF funding. The action may also include funding from other sources, however the extent to which an action contributes to meeting the increased or improved services requirement is based on the LCFF funding being used to implement the action.
- **Other State Funds:** Enter the total amount of Other State Funds utilized to implement this action, if any.
 - **Note:** Equity Multiplier funds must be included in the “Other State Funds” category, not in the “LCFF Funds” category. As a reminder, Equity Multiplier funds must be used to supplement, not supplant, funding provided to Equity Multiplier schoolsites for purposes of the LCFF, the ELO-P, the LCRS, and/or the CCSPP. This means that Equity Multiplier funds must not be used to replace funding that an Equity Multiplier schoolsite would otherwise receive to implement LEA-wide actions identified in the LEA’s LCAP or that an Equity Multiplier schoolsite would otherwise receive to implement provisions of the ELO-P, the LCRS, and/or the CCSPP.
- **Local Funds:** Enter the total amount of Local Funds utilized to implement this action, if any.
- **Federal Funds:** Enter the total amount of Federal Funds utilized to implement this action, if any.
- **Total Funds:** This amount is automatically calculated based on amounts entered in the previous four columns.
- **Planned Percentage of Improved Services:** For any action identified as contributing, being provided on a Limited basis to unduplicated students, and that does not have funding associated with the action, enter the planned quality improvement anticipated for the action as

a percentage rounded to the nearest hundredth (0.00%). A limited action is an action that only serves foster youth, English learners, and/or low-income students.

- As noted in the instructions for the Increased or Improved Services section, when identifying a Planned Percentage of Improved Services, the LEA must describe the methodology that it used to determine the contribution of the action towards the proportional percentage. The percentage of improved services for an action corresponds to the amount of LCFF funding that the LEA estimates it would expend to implement the action if it were funded.

For example, an LEA determines that there is a need to analyze data to ensure that instructional aides and expanded learning providers know what targeted supports to provide to students who are foster youth. The LEA could implement this action by hiring additional staff to collect and analyze data and to coordinate supports for students, which, based on the LEA’s current pay scale, the LEA estimates would cost \$165,000. Instead, the LEA chooses to utilize a portion of existing staff time to analyze data relating to students who are foster youth. This analysis will then be shared with site principals who will use the data to coordinate services provided by instructional assistants and expanded learning providers to target support to students. In this example, the LEA would divide the estimated cost of \$165,000 by the amount of LCFF Funding identified in the Data Entry Table and then convert the quotient to a percentage. This percentage is the Planned Percentage of Improved Services for the action.

Contributing Actions Table

As noted above, information will not be entered in the Contributing Actions Table; however, the ‘Contributing to Increased or Improved Services?’ column will need to be checked to ensure that only actions with a “Yes” are displaying. If actions with a “No” are displayed or if actions that are contributing are not displaying in the column, use the drop-down menu in the column header to filter only the “Yes” responses.

Annual Update Table

In the Annual Update Table, provide the following information for each action in the LCAP for the relevant LCAP year:

- **Estimated Actual Expenditures:** Enter the total estimated actual expenditures to implement this action, if any.

Contributing Actions Annual Update Table

In the Contributing Actions Annual Update Table, check the ‘Contributing to Increased or Improved Services?’ column to ensure that only actions with a “Yes” are displaying. If actions with a “No” are displayed or if actions that are contributing are not displaying in the column, use the drop-down menu in the column header to filter only the “Yes” responses. Provide the following information for each contributing action in the LCAP for the relevant LCAP year:

- **6. Estimated Actual LCFF Supplemental and/or Concentration Grants:** Provide the total amount of LCFF supplemental and concentration grants estimated based on the number and concentration of unduplicated students in the current school year.
- **Estimated Actual Expenditures for Contributing Actions:** Enter the total estimated actual expenditure of LCFF funds used to implement this action, if any.

- **Estimated Actual Percentage of Improved Services:** For any action identified as contributing, being provided on a Limited basis only to unduplicated students, and that does not have funding associated with the action, enter the total estimated actual quality improvement anticipated for the action as a percentage rounded to the nearest hundredth (0.00%).
 - Building on the example provided above for calculating the Planned Percentage of Improved Services, the LEA in the example implements the action. As part of the annual update process, the LEA reviews implementation and student outcome data and determines that the action was implemented with fidelity and that outcomes for foster youth students improved. The LEA reviews the original estimated cost for the action and determines that had it hired additional staff to collect and analyze data and to coordinate supports for students that estimated actual cost would have been \$169,500 due to a cost of living adjustment. The LEA would divide the estimated actual cost of \$169,500 by the amount of LCFF Funding identified in the Data Entry Table and then convert the quotient to a percentage. This percentage is the Estimated Actual Percentage of Improved Services for the action.

LCFF Carryover Table

- **9. Estimated Actual LCFF Base Grant:** Provide the total amount of estimated LCFF Target Entitlement for the current school year, excluding the supplemental and concentration grants and the add-ons for the Targeted Instructional Improvement Block Grant program, the former Home-to-School Transportation program, and the Small School District Transportation program, pursuant to 5 CCR Section 15496(a)(8). Note that the LCFF Base Grant for purposes of the LCAP also includes the Necessary Small Schools and Economic Recovery Target allowances for school districts, and County Operations Grant for COEs. See EC sections 2574 (for COEs) and 42238.02 (for school districts and charter schools), as applicable, for LCFF entitlement calculations.
- **10. Total Percentage to Increase or Improve Services for the Current School Year:** This percentage will not be entered. The percentage is calculated based on the amounts of the Estimated Actual LCFF Base Grant (9) and the Estimated Actual LCFF Supplemental and/or Concentration Grants (6), pursuant to 5 CCR Section 15496(a)(8), plus the LCFF Carryover – Percentage from the prior year. This is the percentage by which services for unduplicated pupils must be increased or improved as compared to the services provided to all students in the current LCAP year.

Calculations in the Action Tables

To reduce the duplication of effort of LEAs, the Action Tables include functionality such as pre-population of fields and cells based on the information provided in the Data Entry Table, the Annual Update Summary Table, and the Contributing Actions Table. For transparency, the functionality and calculations used are provided below.

Contributing Actions Table

- **4. Total Planned Contributing Expenditures (LCFF Funds)**
 - This amount is the total of the Planned Expenditures for Contributing Actions (LCFF Funds) column.
- **5. Total Planned Percentage of Improved Services**
 - This percentage is the total of the Planned Percentage of Improved Services column.
- **Planned Percentage to Increase or Improve Services for the coming school year (4 divided by 1, plus 5)**

- This percentage is calculated by dividing the Total Planned Contributing Expenditures (4) by the Projected LCFF Base Grant (1), converting the quotient to a percentage, and adding it to the Total Planned Percentage of Improved Services (5).

Contributing Actions Annual Update Table

Pursuant to *EC* Section 42238.07(c)(2), if the Total Planned Contributing Expenditures (4) is less than the Estimated Actual LCFF Supplemental and Concentration Grants (6), the LEA is required to calculate the difference between the Total Planned Percentage of Improved Services (5) and the Total Estimated Actual Percentage of Improved Services (7). If the Total Planned Contributing Expenditures (4) is equal to or greater than the Estimated Actual LCFF Supplemental and Concentration Grants (6), the Difference Between Planned and Estimated Actual Percentage of Improved Services will display “Not Required.”

- **6. Estimated Actual LCFF Supplemental and Concentration Grants**
 - This is the total amount of LCFF supplemental and concentration grants the LEA estimates it will actually receive based on of the number and concentration of unduplicated students in the current school year.
- **4. Total Planned Contributing Expenditures (LCFF Funds)**
 - This amount is the total of the Last Year's Planned Expenditures for Contributing Actions (LCFF Funds).
- **7. Total Estimated Actual Expenditures for Contributing Actions**
 - This amount is the total of the Estimated Actual Expenditures for Contributing Actions (LCFF Funds).
- **Difference Between Planned and Estimated Actual Expenditures for Contributing Actions (Subtract 7 from 4)**
 - This amount is the Total Estimated Actual Expenditures for Contributing Actions (7) subtracted from the Total Planned Contributing Expenditures (4).
- **5. Total Planned Percentage of Improved Services (%)**
 - This amount is the total of the Planned Percentage of Improved Services column.
- **8. Total Estimated Actual Percentage of Improved Services (%)**
 - This amount is the total of the Estimated Actual Percentage of Improved Services column.
- **Difference Between Planned and Estimated Actual Percentage of Improved Services (Subtract 5 from 8)**
 - This amount is the Total Planned Percentage of Improved Services (5) subtracted from the Total Estimated Actual Percentage of Improved Services (8).

LCFF Carryover Table

- **10. Total Percentage to Increase or Improve Services for the Current School Year (6 divided by 9 plus Carryover %)**

- This percentage is the Estimated Actual LCFF Supplemental and/or Concentration Grants (6) divided by the Estimated Actual LCFF Base Grant (9) plus the LCFF Carryover – Percentage from the prior year.
- **11. Estimated Actual Percentage of Increased or Improved Services (7 divided by 9, plus 8)**
 - This percentage is the Total Estimated Actual Expenditures for Contributing Actions (7) divided by the LCFF Funding (9), then converting the quotient to a percentage and adding the Total Estimated Actual Percentage of Improved Services (8).
- **12. LCFF Carryover — Dollar Amount LCFF Carryover (Subtract 11 from 10 and multiply by 9)**
 - If the Estimated Actual Percentage of Increased or Improved Services (11) is less than the Estimated Actual Percentage to Increase or Improve Services (10), the LEA is required to carry over LCFF funds.

The amount of LCFF funds is calculated by subtracting the Estimated Actual Percentage to Increase or Improve Services (11) from the Estimated Actual Percentage of Increased or Improved Services (10) and then multiplying by the Estimated Actual LCFF Base Grant (9). This amount is the amount of LCFF funds that is required to be carried over to the coming year.
- **13. LCFF Carryover — Percentage (12 divided by 9)**
 - This percentage is the unmet portion of the Percentage to Increase or Improve Services that the LEA must carry over into the coming LCAP year. The percentage is calculated by dividing the LCFF Carryover (12) by the LCFF Funding (9).

California Department of Education
